

TAKE PART IN PARK DEDICATION at Mokena. The dedication ceremonies took place last Sunday afternoon in conjunction with the community picnic sponsored by the Mokena Lions club. The park is five years old but was never formally dedicated until Sunday. The men shown here, who took part in

the ceremony (l to r) are: Arthur Omland, Charles Swanberg, president of the park commission; James Marti, mayor of Mokena, and Ray Hoolehan, president of the Mokena Civic Association, which has title to the land. (Marvin Smith photo)

Complete Staff

Lincoln-Way Hires New Teachers

At the last regular meeting of the Lincoln-Way board of education the faculty was completed with the employment of five teachers. They are: Thomas E. Flanigan, Mrs. Elizabeth Elliott, Miss Dorothy Wells, Mrs. Emily Green and Mrs. Evelyn Kerwin.

Mr. Flanigan was employed to teach freshman math; assist with varsity football and with the frosh-soph wrestling squad. This position resulted from Albert Buckowich's resignation and later the resignation of Billy Walker who originally was employed for the assignment. Mr. Flanigan graduated from the South Beloit (Ill.) high school and received his degree from Northern Illinois state university. He has been taking his graduate work at the same institution.

He has one year of teaching experience at the Warren high school located at Gurnee, Illinois, and has completed his military obligation. While in the army he was assigned to the troop education section at Fort Chaffee, Ark. During the past year Mr. Flanigan served as field secretary for a national college social fraternity with his office at Worcester, Mass. He has also served four summers as

a counselor at the Illinois Department of the American Legion.

Mrs. Evelyn Kerwin was employed to teach freshman and sophomore English. She will replace Fred Norlin who had resigned to take position on the Joliet township high school staff. Mrs. Kerwin graduated from Murray State Teachers college at Murray, Ky., with a major in English and Latin. She has several years teaching experience in the Ashley, (Ill.) high school and Sandoval high school. Mrs. Kerwin presently is living at 615 E. 12th street, Lockport.

Mrs. Elizabeth Elliott has been employed to fill the position caused by Mr. Cook's resignation in the English, speech and dramatics department. Mrs. Elliott graduated from Coe college in Iowa and has taken her graduate work at the University of Hawaii in Honolulu along with some special work in television at Northwestern university. She has had considerable experience in public speaking, English and dramatics in Puerto Rico along with several years of teaching in Honolulu. At the present time Mrs. Elliott is representing the University of Hawaii at an International Semantics Society meeting in Mexico City. She intends to move to the

Joliet area in the near future. Mrs. Elliott is the daughter of the Rev. Mr. Lilly, former Methodist minister in Joliet and Mokena.

Miss Dorothy Wells from Valparaiso, Ind., was selected as the new librarian at Lincoln-Way. Miss Wells graduated from Florida Southern college and is fulfilling her master's degree requirements at Ball State Teachers college, Muncie, Ind. She has taught six years in the Indiana schools. Previously she spent several years in business and as a private secretary to the president of Florida Southern college.

Mrs. Welch, the former librarian, has taken a similar position in the senior high school located at Jackson, Mich.

Mrs. Emily Green from Cumberland City, Tenn., will teach girls' physical education and one class in freshman social studies. Mrs. Green graduated from Austin Peay State college, Clarksville, Tennessee, and has taken additional work in Bowling Green Business college, Bowling, Ky. She has completed six years of teaching in the high schools of Georgia, Illinois and Colorado; the past two years in the Littleton, (Colo.), high school.

Enrollment Grows

Sandburg Rolls May Reach 1,200

Carl Sandburg High school, 133rd street and LaGrange Road, will open its doors Tuesday, Sept. 2, with all classes in full session and a student body of 1150 to 1200 as against 1029 last year.

Also expecting the largest enrollment in its short history, Sandburg has adequate space for its students since the new addition is completed and ready for use.

The early opening date for full class sessions was made possible by having students register, receive their schedules, locker assignments and books the week of Aug. 25 thru 29.

Orland Ready to Get Larger Cut of Gas Tax

Orland Park is now entitled to some \$3,000 more a year from the state motor fuel fund as a result of the official census taken recently. The 1950 census showed the village had a population near 800. The census taken July 24 shows the population to be 1,426.

A certificate of the change in population has been received from the office of Ill-

inois Secretary of State Charles Carpenter and a copy of the official figures has been filed by the village with the Division of Accounts at Springfield so that more money will be forthcoming from the gasoline tax. A municipality receives approximately \$5 per capita per year as its share of the tax.

The village originally had mailed a check for \$420 to the census bureau. Trustee Bretland A. Blair, who had charge of making the arrangements for the work, announced that the village has received a refund of \$45 so that the census cost \$375. To get \$3,000 a

666 Student Enter Lincoln-Way High

A total of 666 students will enter Lincoln-Way High school when school opens Tuesday, Sept. 2. This is an increase of 63 over last year.

A breakdown reveals that of this amount, 179 are freshmen, 180 sophomores, 182 juniors, and 125 seniors.

A. Hunter Chapman, superintendent, states that a substantial increase in the number of students is expected next year.

year for an expenditure of \$375, he pointed out, was a good return.

Dedication and Picnic

Tells Need of Forming Park District

The weather was ideal last Sunday for the annual community picnic in the Mokena park and everyone enjoyed the friendly gathering. The park, which was purchased by public subscription five years ago, was formally dedicated during the picnic.

At the dedication ceremony, Art Omland, vice president of the Mokena Lions club who sponsor the annual picnic, was master of ceremonies. He introduced the following speakers: Charles Swanberg, president of the park commission; Mayor James Marti, Ray Hoole-

han president of the Civic association; and Fred Lehman, past president of the Lions club and founder of the annual community picnic.

The funds for the purchase of the 28 acres for use as a park were raised by the people of Mokena. The title to the property is held by the Civic Association.

The improvements which have been made in the park were cited by the president of the park commission. These included grading of the south half, fertilizing and seeding,

installing picnic tables and fire places in the picnic area, installation of backstops on baseball diamonds, bleachers.

The flagpole and flag were donated by the Veterans of Foreign Wars, the playground equipment and skating pond by the Lions club, it was learned. Other donations by businessmen and others were also cited.

The park has been the center of all activities for many groups, such as Small Fry and Pony League baseball teams.

For the past four years a

planned activities summer program for the children with an instructor in charge, has been held for eight weeks.

The park is a popular spot for picnickers and family gatherings.

The finances to operate the park are very low, Swanberg advised the interested audience, requesting that serious consideration be given to forming a park district. The cost to the taxpayers would be small, he said, and it would place the park in a permanent category with

an assured means of financial support.

Immediate plans of the park commission include the construction of a road leading to and into the park.

The following organizations assisted in the various activities at the picnic: Mokena Book club, Chamber of Commerce, Sacred Heart Holy Name society, Ladies of St. Mary's, Friendly Circle of St. John's, Royal Neighbors, Volunteer Fire department, Boy Scouts, Lions, Teen club, and baseball leagues.

REGULATE FOOD DISPENSERS

3 New Teachers Join Faculty of Orland School

When the Orland Park Elementary school opens Tuesday, Sept. 2, three new teachers will be joining the school faculty. One will replace Mrs. Bill Adams, music and 4th grade teacher. She is Mrs. Ruth Ann Mowry, 9923 W. 145th st., Orland Park. She has her bachelor of science degree in education from Southern Illinois University and comes from Lyons, Ill., with two years of teaching experience.

Mrs. Howard Fish, 14422 Oakley ave. Orland Park has her bachelor of science degree from the University of Wisconsin. Mrs. Fish returns to teaching after five years' experience in the Wisconsin schools. She will teach art classes and the fifth grade.

Miss Walda M. Kuklinski, formerly of Chicago, but now a new resident of Palos Park, begins her teaching career, having graduated from DePaul university, majoring in commerce and English. She has spent ten years in the business field and has recently completed graduate work in the field of education at both DePaul University and the Chicago Teachers College. Miss Kuklinski will teach in the upper departmentalized grades English, social studies and girls' physical education.

The faculty at the Orland school will now consist of the following teachers: Primary, Mrs. Linda Lee Moody, Miss Mary Ginder and Mrs. Beverly George Thompson; Intermediate, Mrs. Hazel Brown, Mrs. Ruth Mowry, Mrs. Rutilla Hall and Mrs. Barbara Fish; Upper grade, Miss Walda Kuklinski, James Callahan and Raymond Livingston. The first day of school will last until noon for first graders. All other grades will attend a full day on Sept. 2, beginning at 8:55 a.m. Bus students are to bring their lunch. Milk will be provided for all lunch students.

Bus students are to be at their pick-up points at 8:15 a.m. Residents of Orland Hills at 135th and Southwest Highway will board the bus at a new pick-up point at the east corner of 137th and Elm sts.

Residents of Laguna Woods will also have new pick-up points. The first is located the first road within Laguna Woods and the second pick-up point at the intersection of Redonda and Laguna Lanes where the circle begins.

Students are to bring the following on Tuesday morning, Sept. 2: Text-book rental money of \$6 for grades one to four, and \$7 for grades five to eight. Money for student accident insurance, if desired, 1.50. Also, money for milk if desired, chocolate 65 cents and white 40 cents per month. Medical and dental examination reports for first and fifth graders must be submitted as required by law.

Mothers of the PTA will assist. (Continued to page 3)

Orland Park Trustees Adopt Ordinance to Safeguard Public

An ordinance regulating and licensing food dispensers has been adopted by the Orland Park village board.

Under its provisions license fees will range from \$25 to \$50, depending upon the room for patrons.

Places that accommodate 10 persons or less in the serving of food, including taverns will pay an annual license of \$25; places that accommodate 11 to 30 persons will pay a \$40 fee while those with accommodations for 31 or more will pay \$50.

Ice cream is listed as a food. All places so licensed are subject to inspection by the village health officer or a deputy. Dr. M. A. Lane was named health officer of Orland Park some time ago but his appointment was by motion.

It was suggested by Village Attorney Raymond Pieper that an ordinance be drafted setting up the office of health commissioner. The board instructed him to draw such a measure.

All places dispensing food for consumption on the premises must be kept clean; employees must be clean about their persons and clothing. Wash rooms cannot open into rooms where food is stored or prepared.

Penalties for violations range in fines from \$1 to \$200 for each offense.

The ordinance was adopted on a motion by Trustees Joseph Lebens, head of the licensing committee, and seconded by Melville Doogan.

The board also adopted an ordinance repealing the measure under which Orland Park annexed roads contiguous to and around the village. The repeal was to meet a request by States Attorney Adamowski who has been fighting (Continued to page 6)

Will County Voters Will Elect Circuit Judge on Tuesday, Sept. 2

Will county voters, along with those from Iroquois and Kankakee counties, will have an opportunity to vote Tuesday, Sept. 2 in a special election. A circuit judge is to be elected to replace Judge Roscoe South who died last May 10.

There are two candidates, David E. Oram, of Watseka, a candidate on the Republican ticket, and Donald F. Delaney, of Joliet, on the Democrat ticket.

For the first time the polls will be open from 6 a.m. to 6 p.m. Formerly they closed at 5:00.

Observers say that Tuesday's election will be a battle between organizations. Light votes are usually cast in judicial elections but this one is expected to set a new record for lack of interest, according to reports coming from various parts of the circuit.

The circuit is Republican, it was pointed out, inasmuch as the Republicans are in power in the state observers would give them the nod. They figure that the Republicans have enough payrollers and their dependents to overcome any vote the Democrat organization is able to get out.

The Democrats could win in Joliet township and get a big vote in Lockport township, Wilmington and the Braidwood area—if they can get the vote out. The Republicans should be able to more than match this from New (Continued to page 2)

Mokena Grade School to Have 14 on Faculty

The Mokena public grade school will reopen Tuesday, Sept. 2, with four new teachers added to the faculty.

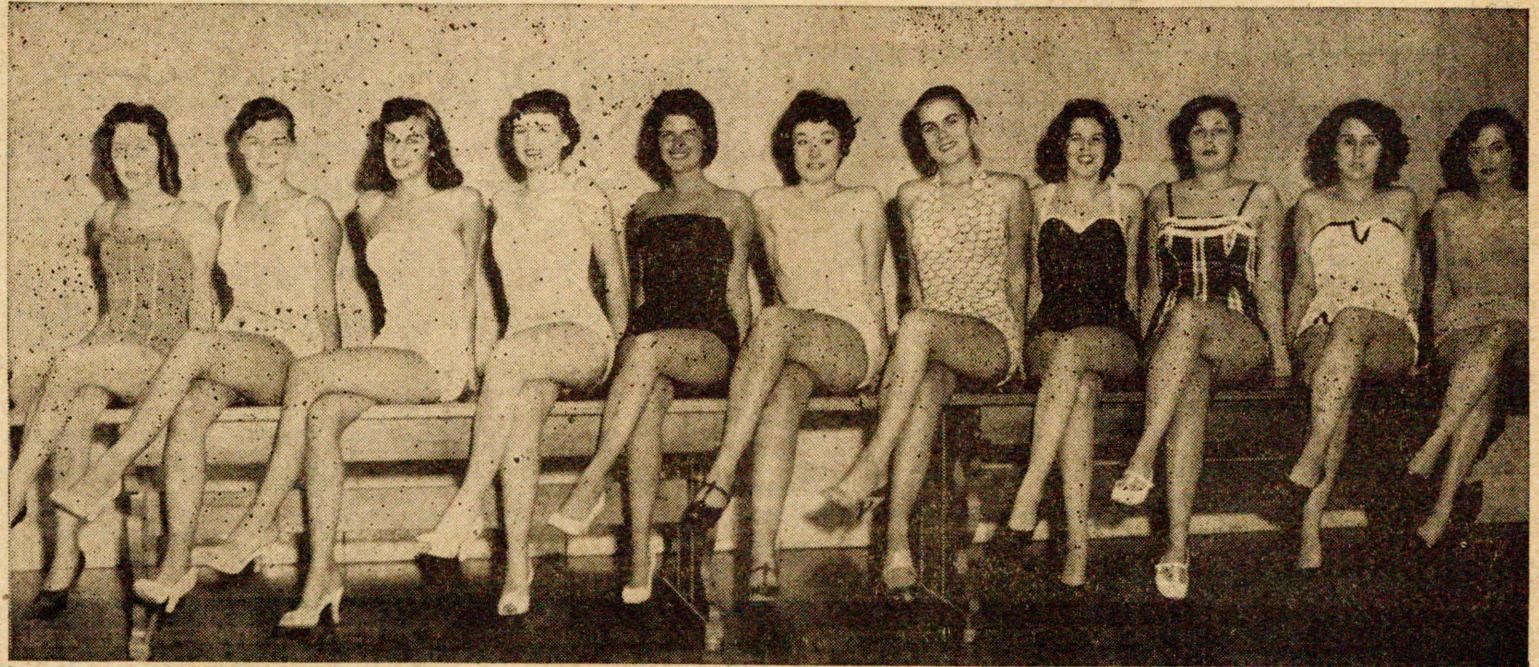

The school superintendent, Mrs. Elizabeth Cappel, announces that the four new teachers are Mrs. Mildred Montgomery of New Lenox, 4th grade; Miss Kitty Hauckler of Joliet, 6th grade; Mrs. Marcella Lehmann, of Mokena, 6th grade; and Mrs. Madeline Gregory of New Lenox, 7th grade.

Other teachers are Mrs. Minnie Pester of New Lenox, 1st grade; Mrs. Lorraine Abraham of Frankfort, 1st and 2nd grades; Mary Cole Burke, of Joliet, 2nd grade; Mrs. Joyce Dratto of New Lenox, 3rd grade; Mrs. Madeline Weber of New Lenox, 4th grade; Mrs. Minnie Bignall of Mokena, 5th grade; Mrs. Jean Clark, of New Lenox, 7th grade and music; Miss Mary Donahue, of Joliet, 8th grade; William Edward Donaldson, physical education, social studies and coaching. Perry Friedman, of Park Forest is the band director.

The following fees will be charged per pupil for rental of books and to cover the cost of work books: 1st grade, \$6; 2nd grade, \$5; 3rd grade, \$6.75; 4th grade, \$6.50; 5th grade, \$6.75; 6th grade, \$6.75; 7th grade, \$8.50 and 8th grade, \$9.50.

Early Deadlines

As our Tinley Park and Mokena offices will be closed on Labor Day, Monday, Sept. 1, deadline for news items ordinarily acceptable until Monday noon, must be received by Friday of this week for insertion in next week's issue of the Semmler newspapers. All classified advertising must be submitted by Tuesday noon of next week.

SEEK BEAUTY QUEEN TITLE is a contest held in conjunction with the annual Fall Festival at Tinley Park. The festival opens tomorrow night and the queen and her court will appear in the parade Monday afternoon. There are 13 girls in the contest but when this picture was made only 11 were on hand. Absent are Gloria Bettenhausen, of Tinley Park, whose

picture has appeared in earlier issues, and Patricia Kohler, of Oak Forest. Those in the picture (l to r) are: Sharon DeGuillo, 18; Sandy Casey, 18; Cindy Flanagan, 18; LaVerne Sternquist, 18; Donna Schindler, 18; Mary Ann Danluk, 20; Anita Conle, 21; Roberta Nolte, 19; Marcia Szaton, 20; Dorothy Dempsey, 18, and Patricia Cupp, 18. (Marvin Smith photo).

Mission Guild Members Hear Book Review

The Mission Guild of the Zion Lutheran church enjoyed a book review given by the pastor's wife, Mrs. Randolph Hahn, on "Felembé" at the meeting held Aug. 18.

When the Ladies Aid of the church marks its 50th anniversary on Sept. 23, the dinner will be cooked and served by the Guild members. This was decided at the meeting. Other business discussed was the annual Christmas card sale which will be held Sept. 16.

Guests at the meeting were Mrs. Marie Rodberg, Mrs. Eugene Worley and Mrs. Norman Patterson.

Presiding was Mrs. Benjamin Deck. The devotions were given by Mrs. Stanley Heed.

Refreshments were served by Mrs. James Sundeen and Mrs. M. Peterson.

Couple Married in St. George's;

Tinley Park's St. George church was the scene of the marriage of Mrs. Mary Ellen Frazer of Tinley Park and Everett Bray of Harvey, in a single ring ceremony held Aug. 16.

Mr. and Mrs. William Scully of Blue Island attended the couple.

Mr. and Mrs. Bray will reside at Tinley Park.

Off the island of Mindanao in the Philippines the ocean is the deepest—35,400.

MR. and MRS. WILLIAM SIEMSEN

Tinley Couple Greets Friends on 50th Wedding Anniversary

Many friends and relatives gathered in the Trinity Lutheran school, 159th and Oak Park ave., Tinley Park, Aug. 23 to help William and Selma Siemsen celebrate their golden wedding anniversary. The Siemsen's four children were hosts for the gala occasion. They are: Elmer and William of Tinley Park; Irving of Phoenix, Ariz., and a daughter Alma, Mrs. John Plane of San Jose, Calif. Their eight grandchildren were also present.

Mr. Siemsen was born in Tinley Park and altho Mrs. Siemsen was born in Chicago, she came to Tinley Park when an infant and has lived in the area since.

After the couple quit farm-

ing they moved to the village where he did trucking with horses—there were no auto trucks in those days. He worked for the Standard Oil Co. for several years, delivering gasoline and oil. He became a volunteer fireman for the village of Tinley Park in 1917 and still is a member. He also served 10 years as a member of the village board of trustees, and at various times assisted at the William Funk funeral parlor in Oak Forest.

In 1923 he entered the employ of the Rock Island railroad, working in the car shops at 123rd st., Blue Island for 30 years, taking his retirement a few years ago.

The Siemens received many gifts, cards and flowers.

Tinley Woman to Serve on Color Team of State V.F.W. Auxiliary

The VFW Bremen Auxiliary to Post 2791 is proud to announce that one of its members, Mrs. Pete Seeley, was appointed to serve on the State of Illinois VFW Auxiliary Color team by the department president, Mrs. Rose Capek.

Mrs. Seeley has been active in the VFW auxiliary for many years. She is a past president of the local auxiliary and at present is hospital chairman. She also holds the office of guard in the 16th District.

At the Aug. 19 meeting the president, Mrs. M. S. Morrison, presented 10 year membership pins to: Mrs. Marie Zimmerman, Mrs. Irma McClosa, Mrs. John Andres, and Mrs. James Elliott; five year pins to: Mrs. Lee Evers, Mrs. Mike Haber, Mrs. Mollie Head, Mrs. William Houle, Mrs.

Floyd Klepper and Mrs. Frank Mott; 15 year pins to: Mrs. Fred Willman and Mrs. Scott Brandriff, who unfortunately were not present to receive them. Mrs. Willman is now residing in Phoenix, Ariz., and Mrs. Brandriff is in the hospital.

Mrs. Morrison congratulated these members for their continuance membership and loyal efforts on behalf of the VFW over the years.

The meeting adjourned for a social hour of refreshment and games.

Hostesses for the evening were: Mrs. Richard Laccabue, Mrs. Eugene Roe, and Mrs. Kermit Mattson. Mrs. Robert Schissler received the attendance prize.

Game night is held each Wednesday at 8 p.m. in the VFW club rooms, 172nd and Oak Park ave., Tinley Park.

Orland Junior Woman's Club to Stage Fall Fashion Show Sept. 17

"The Age of Fashions" will be presented by a Chicago store on Sept. 17, at 8 p.m. in the Orland Park Grade school auditorium. The show will include a complete line of fall wearing apparel for women, misses, and children, and clothing prices will vary to suit all budgets.

This style show is being sponsored by the Orland Park Junior Woman's club to raise funds to support their many charities, one of which is a sizeable gift to benefit the Orland Park community.

Mrs. William Grosskoff, chairman, will choose her committees at a special meeting to be held Sept. 3rd, at the home of Mrs. Oscar Enk, 1811 Elm. Models will be picked from the Junior Woman's club members and their friends. Refreshments after the fashion show will be an added attraction, and the nominal donations of \$1.00 per adult, and 50 cents per child should encourage a large attendance.

Suprise Bridal Shower Held for Charlotte Ahnell

Mrs. Gordon Powell, Jr., entertained at a surprise bridal shower in her home in Palos, Sunday, Aug. 17, honoring Miss Charlotte Ahnell, daughter of Mr. and Mrs. Harry Ahnell of Orland Park. The decorations were in blue and white with an umbrella center which gifts were attached.

Charlotte was presented with a corsage of white mums and pink roses. She received many lovely gifts.

The wedding date has been set for Sept. 27, when Charlotte will be united in marriage to Edward Heidenrich of Chicago.

Women were not allowed to appear on the stage in Shakespeare's time.

Sandburg FHA Has Party for 50 Freshmen

The Future Homemakers of America Club entertained 50 freshmen Homemaking students at a party at Carl Sandburg high school Wednesday, August 20 from 2 to 4 p.m.

Some get-acquainted games introduced the girls and the afternoon was spent in playing buncos.

The F.H.A. hostesses were Janey Maue, Myrla Winchell, Joan Smith, Mary Alfrivie, Betty Stellwagen, Barbara Clark, Mary Smith, Nancy Rodwick, and Nancy Wiley. Sponsors of the club are Mrs. Patricia Cote and Mrs. Carol Cady new teachers in the homemaking department at Sandburg.

The meeting was climaxed by the serving of refreshments of potato chips and soft drinks and the girls were invited to become members of the Future Homemakers of America club.

"Sweets to the sweet" was originally said by Shakespeare in the last act of Hamlet.

"El in Hebrew names such as Elisha, means God.

Students May Buy School Books at Bremen Saturday

In order to eliminate the necessity of students waiting in long lines to purchase school books, the Bremen Community High school will be open Saturday, Aug. 30, from 8 a. m. until noon to accommodate students wishing to purchase the necessary books before school opens.

The pre-school sale will be held in the school cafeteria.

O. W. Young, manager of the book store, will be on hand to supply students with a list of the courses in which they are enrolled and a price list showing the cost of the books needed in these courses.

The school also was open for the same purpose on Tuesday and Wednesday of this week.

WILL COUNTY VOTERS—

(Continued from page 1)

Lenox east—if they can get the vote out.

Getting the people to the polls on the day after a long holiday week-end and with mothers busy with first-day-of-school problems is going to be quite a task, the politicians admit. They claim that Gov. Stratton picked the date with those facts in mind, figuring the Republican payrollers were more numerous than Democrat volunteers.

There is a factor that is favorable to the Demos but how much so is problematical. The Will County Bar Association is on record as favoring election of a second circuit judge in Will county because the case load is heavier here than in the other counties. How many of these attorneys, who are Republican in politics, will vote for Delaney, a Democrat, because he is from Will county, is a question to which there is no ready answer. There are rank and file voters too who would vote for Delaney because he is a Will county man but how many of them will remember or take time to go to the polls is another hard-to-answer question.

Republican county candidates who are up for election this fall are quite interested in next week's election. A victory for Delaney, they figure, would be a shot in the arm for the Democrats and serve to loosen the strings, now binding wallets from which the Demos hope to get contributions.

Walter O. Herschbach, a Joliet attorney who was born and raised in Frankfort is manager of Oram's campaign in Will county.

Both candidates have made calls in Frankfort and New Lenox townships.

Lot's wife is never mentioned by name in the Bible.

Suburban Life Party Swamps All Opposition in City Election

By CHLOE WHITE
Sycamore 8-6620

A flood of straight ticket votes swept the Suburban Life party into office Saturday, Aug. 23, in the first election held in the newly created city of Country Club Hills. The party won every office, mayor, clerk, treasurer and six aldermanic posts.

The Suburban Life candidates, who were nominated at an open meeting, conducted an intensive and able campaign. That it was able to be evidenced by the vote. The winners made a house-to-house canvass to become acquainted with the voters and enable the voters to become acquainted with their program for the city.

The Suburban Life ticket polled 123 straight votes to 38 for the Achievement party and 17 for the Independent Voters. The three parties plus four independent candidates, one for mayor and three for alderman, divided 456 split ballots.

closed at 5 p.m. and the judges completed their count at 12:40 a.m. Sunday.

Mrs. Elmer Wulf and a committee served supper to the judges. The fifth judge, named to take the place of James D. O'Connell, who was a candidate for alderman, was George Huemmer.

Joseph Merriam, head of the realty firm that built Country Club Hills, sent a telegram of congratulations to each of the victorious candidates.

School District 160
The education committee of the school board announced that plans have been made for a kindergarten class to be started this fall if a teacher for the classes are available. The classes will be held in three sessions; 8:45-10:45; 11:00-1:00 and 1:30-3:30. There will be a charge of \$20 for the entire school year to help defray the expense and the transportation will be the responsibility of the parents, of course car pools are advised. The buildings on Baker street in Unit 111 will be used for the kindergarten classes because of the flat terrain and absence of ditches.

All children who live south of 183rd street will attend the Baker street schools while those who live north of 183rd street will attend the Thomas Lane schools except the 6th, 7th and 8th grades who will attend the Central school at 184th and Central. Registration was held last Monday and Tuesday for the new residents. The school day will be from 9 to 3:30 with noon to 1:15 as lunch time.

Supt. Sykuta explained the book rental system which had been formulated and this system was unanimously accepted by the board. There will be a charge of \$10 per child for books for the school year. Also included will be paper, weekly reader, a field trip if so desired by the teacher and an initial supply of crayons, pencils and erasers. The charge was averaged to this figure as lower grades use more supplies while the upper grades books cost more. It was also stated that the payments may be made in two installments if desired and if one leaves the community an adjustment will be made.

There have been two new teachers added to the staff, Joseph Division and Kathleen Resler. Four more teachers are still needed.

It was decided that the United Christian Church may use the school buildings for services until definite plans are made, sometime after Sept. 1, and that a rental fee will be decided at that time. A notice was given to the PTA and other school affiliated organizations that a list of meeting dates and times should be submitted to the board for approval before the school may be used.

The last order of business was the changing of the name of the district to **Country Club Hills School District 160**.

Teacher workshops were held Aug. 26 and 27 in the Country Club Hills district. The executive board met with Supt. Zenon Sykuta at the Charles White home Tuesday, Aug. 19. Supt. Sykuta discussed the accomplishments of his administration to date and how he felt the PTA fitted into the school program and ways in which the organization could help with financial and personal assistance.

Forest Preserve Sues to Get Land Near Orland Park
(CNS)—A condemnation suit to acquire 80 acres of C-and township land for use as a forest preserve has been filed by the Forest Preserve District of Cook county.

The vacant site is situated on the northeast corner of 151st street and 80th avenue (if extended on the northeast corner of 151st street and 80th avenue (if extended), and extends .5 mile east along 151st street. It abuts the Tinley Creek Forest Preserve on the north.

The property is owned by the Silver Lake Dells, Inc., an Illinois corporation, according to the Circuit court suit drafted by Attorney Anton S. Mikula.

The site is two miles south-east of Orland Park.

Little Time Left to Pay Taxes

Only a little time remains to pay real estate taxes without incurring a penalty.

In Cook county payment of the second installment of taxes due is still made to town collectors. Sept. 1 is the deadline in Cook county, so collectors will close their offices at the end of business on Saturday.

In Will county the second installment on taxes is paid directly at the county treasurer's office. County Treasurer Floyd H. Krapf announced this week that he will accept tax payments up to and including Sept. 6 before invoking penalties.

4 Injured in 2-Car Collision

Four persons were injured Friday morning in a two-car collision at LaPorte road and U. S. 45. The driver of one of the cars, Robert Rainford, 40, of Rt. 1, Mokena, escaped injury. The injured were all in the other car, driven by James O. Saylor, 55, of Villa Park.

According to State Trooper Dennis Jaskovisk, who investigated the crash, Rainford was driving north on U. S. 45 and at the junction with LaPorte road made a left turn in front of Saylor, who was traveling south.

Saylor and a 16-year old daughter, Kitty, received minor injuries, it was reported but his wife, Edith, 52, and her aunt, Mrs. Bessie M. Quinn, 77, of Columbus, Ohio, suffered multiple fractures.

They were taken to Silver Cross hospital, Joliet in the Baskerville ambulance. Mrs. Saylor has a fractured pelvis and an arm fracture, a leg fracture and cuts and bruises about the head. Her aunt has a fracture of the left wrist and elbow, a fracture of the right hip and facial lacerations.

Rainford was given a ticket charging him with failure to yield right of way.

Frankfort Town Tax Assessments Published Today

The personal and real estate property tax valuations for Frankfort township, as set by the assessor, appears in this issue.

These valuations will be used in computing the 1958 tax bills which are collectible next year. The real estate valuations are run because this is a quadrennial year.

Under state law assessors are required to review and re-evaluate real estate every four years. County Treasurer Floyd H. Krapf, who by virtue of his office is supervisor of assessments, explained that valuations have been increased in an endeavor to have the state revenue department set a factor of one in establishing "full fair cash values" on property. By multiplying the assessed value by the factor the equalized valuation is reached. The factor set for Will county this year was 6.25. If the factor next year is one then the assessed value will become the equalized value. It is the equalized value that is used in computing tax bills. The equalized value is multiplied by the tax rate.

The New Lenox lists have not yet been received. Taxpayers who consider their property incorrectly assessed may appear before the board of review at the Court House in Joliet on or before Sept. 17. In the notice at the end of the personal tax list this date was inadvertently omitted.

The New Lenox lists have

Install Chimes at Frankfort Methodist Church

Installation of memorial chimes at the Frankfort Methodist church has been completed, it was announced by Mrs. Lawrence Woodman, music and worship committee chairman. The chimes are designed to have a range of one half to three quarters of a mile.

Installed to call people to worship and to remind them of the presence of the church in the community a regular schedule of playing has been planned. The chimes will play each evening at 6:00 p.m. for approximately fifteen minutes. As an invitation to worship they will also play between the Sunday school and worship hours on Sunday, 10:15-10:30 a.m., Mrs. Woodman said.

The chimes are made possible through the generosity of several families and individuals. Purchase of the chimes was made by a gift in memory of the late Ralph C. Davis of Morris, plus an anonymous gift by a local family. Records have been donated by Mrs. Katharine Heisner. Additional records are now being sought, M. J. Woodman remarked. An automatic timer was given by Mrs. Ralph Moyer of Matteson. The timer makes it unnecessary for anyone to be at the church during the daily playing period.

The chimes are a part of the public address system of the new building. They consist of an outside type speaker installed in the office wing attic to play through the gable louvers. The music is provided by records played on the four speed phonograph, which is part of the regular P. A. system. The system provides a separate channel with individual controls for the outside speakers.

Mrs. Woodman noted that the chimes will also be used to announce the death of members of the church. The hymn, "In The Garden" has been designated for this purpose. The committee is also investigating the possibility of obtaining records of ringing and tolling bells for special occasions.

The industrial applications of platinum far surpass its use for jewelry, with over 85 per cent of the total consumption of this precious metal being accounted for by industry in 1956.

Psychiatric Social Workers Attend Institute

More than 150 persons are expected to attend the Illinois Department of Public Welfare's 14th annual Institute for psychiatric social workers at Lake Forest academy, in Lake Forest on Sept. 3 to 5, it was announced today by Dr. Otto L. Bettag, state welfare director.

Attending the meetings will be psychiatric social workers in state mental hospitals, schools for the mentally retarded and state-aided community health clinics.

The purpose of the Institute, according to Mrs. Annette Calloway, chief of psychiatric social service in welfare institutions, is to give psychiatric social workers who are directly or indirectly engaged in treatment programs, an opportunity to explore various treatment methods that best help patients.

Highlighting the opening day's session Sept. 3, will be an address at 7:15 p.m. by Dr. Melvin Sabshin, associate director Institute of Psychosomatic Psychiatric research and training at Michael Reese hospital, Chicago. His topic will be "Treatment needs of State Hospital and Clinic."

Six workshops will occupy the conference delegates in the Thursday, Sept. 4 session. These workshops will be devoted to discussions of the psychiatric social workers role in treatment programs.

Prominent psychiatrists will serve as consultants and hospital, school and clinic social workers will be discussion leaders.

Mrs. Calloway will open the Friday Sept. 5 session at 9 a.m. with her annual report to the staff. Following the report, Dr. Arnold Tobin, assistant director of the Psychiatry Mandel Clinic, Michael Reese hospital, Chicago, will close the Institute with a talk at 10:30 a.m. on the open hospital.

Tribby is famous for her beautiful feet.

TOURISTS REWARDED—While walking along a Spokane (Wash.) street a quartet from the area was stopped by an official and invited to become guests of the Chamber of Commerce. They had their hotel accommodations and meals for a day, plus dinner invitations and tickets to theaters and other entertainment. The picture shows them receiving a packet of welcome letters and awards at the Spokane C. of C. Left to right are L. V. Markham, C. of C. manager, Mr. and Mrs. Emil Reckemer, New Lenox, and Mr. and Mrs. Erwin W. Yunker, of the Orland Park implement firm. The officer in the picture is deputy sheriff Ed. Braune.

Rock Island Gets O. K. to Drop 19 Non-rush Trains

(CNS) Approval has been granted the Rock Island railroad to drop 19 non-rush hour trains and consolidate two rush hour trains.

The changes, allowed Tuesday by the Illinois Commerce Commission in Chicago, will become effective about Sept. 1, according to a railroad spokesman.

The suburban trains operate between Chicago and Blue Island and Chicago and Joliet. Practically all of the trains involved travel between Blue Island and Chicago.

An estimated \$120,000 annual savings would be realized by the changes, said R. E. King, the line's passenger traffic manager.

At hearings before the ICC last month, King blamed the loss of non-rush hour commuters on outlying shopping centers and restaurants, super highways and an increased use of private autos. Commuters dropped from 11,306,317 in 1947 to 8,031,266 in 1957 King said.

ENTERTAINMENT—

(Continued from page 1) clude a bout between lady wrestlers.

On Sunday afternoon the children will participate in a pet show and auto races. The final judging of the beauty contest will be held in the evening.

The famous master hypnotist, the Baron will appear Sunday evening.

At 1:30 p.m. Monday, the parade will start. There will be bands, floats and many marching units, including a color guard from the NIKE installation at Orland Park. A NIKE missile will also be included, provided by the 13th Missile Battalion, commanded by Lt. General Roy Jameson of Orland Park, thru the courtesy of Col. Avery W. Masters, of the 22nd Artillery group (air defense) Orland Park.

Thruout the 4-day event will be continuous games, rides, and prizes.

Refreshments will be available.

Many interesting booths in the exhibition tent will offer free gifts and provide attractive displays.

The festival will be climaxed with a mammoth fireworks display Monday night.

Orland, Palos Commuters in for Fare Hike

(CNS)—About 350 daily passengers on the Wabash railroad's commuter operation between Orland Park and the Loop are in for a fare hike.

The Illinois commerce commission has granted the fare increase, despite opposition by commuters at hearings earlier this month before the state commission.

Minimum fares will be hiked to 30 cents, or five cents more than now charged. The price of 10 and 25-ride tickets will be increased 30 to 90 per cent and 46 and 54-ride tickets will be eliminated.

The changes will probably

become effective about the between Chicago and Orland first week in September. The railroad must first file with the ICC a list of its new rates and also post a notice of the changes at its stations.

John A. Barrett, Wabash's passenger traffic manager, said the fare hike is the first since 1949. Railroad officials estimate the additional revenue to amount to \$32,751 annually, cutting the annual commuter loss of \$140,046 to \$107,295.

The suburbs of Orland Park, Palos Park, Worth, Chicago Ridge, and Oak Lawn are served by a train which leaves Orland Park daily except Sunday at 6:05 a.m. and arrives at Chicago's Dearborn station at 7:10 a.m. A second train leaves Chicago at 4:40 p.m. and arrives at Orland Park at 5:32 p.m.

The new 10-ride ticket rate

Zoning Board Defers Action on Motel Case

The Will County Zoning Board of Appeals deferred a petition for a change in rezoning because of objections raised by the Mokena Planning Commission.

The rezoning request was made by John and Juanita Bellucci who asked the property on the southwest corner of Route 30 and Wolf rd. be changed to B1, so they might establish a 24 unit two story

motel on the premises. Future plans call for a swimming pool, they explained. Plans are to construct an all brick structure, fireproof and with a front and rear exit. A brick building already on the property is to be remodeled, it was stated.

At the hearing, held at the Cooper and Hostert garage at Mokena last Friday night, were objectors from the Planning Commission, also attorney Raymond Hooehlan in behalf of the Mokena village board.

Morris P. Angland, chairman, and Charles P. Rose, an industrial engineer for the Public Service Co., of the Planning Commission, said the Commissions of Mokena and Frankfort was securing professional service to aid in future

planning. Within two months, it was stated, they would have an idea as to proposed land uses.

The Bellucci property is on the fringe of the property in the 1 1/2 mile zone, coming in only recently, since the village annexed the park property, bringing them to 203rd street.

The attorney, Bert Engelman, representing the Belluccis, said it was not fair to make them delay or to use boundary lines that changed since the petition was filed.

FIREMEN'S DANCE

The volunteer fire department of Homewood Acres is to give the last of a series of square dances, sponsored this summer, Saturday night, Aug. 30 on the grounds of the fire station on 189th st., one block east of Crawford ave. Chief John W. DeWitt said the affair would be free but a charge is made for refreshments. The party is scheduled to begin at 8:30, weather permitting.

Park will take place Friday evening. Lana Bettenhausen of 18033 Harlem ave., a 16 year old junior at Bremen Community high school and Stanley Trylovich, 18, of 17730 S. 67th ct., a graduate of the same school, have been chosen for this honor. Miss Tinley Park will have as her escorts the two runnersup, Judy Gray, 16, of 16744 Harlem ave., and Jeanette Bailey of 17036 New-England ave., also 16. Both are juniors at Bremen. All will ride in the parade on Monday.

The semi-final judging of the beauty contest will be held Saturday evening. Entertainment that evening will include a variety of acts.

Cards of Thanks

CARD OF THANKS

I wish to thank all my friends and relatives for the lovely flowers and cards sent to me while recently confined in the hospital.

FERN LOVEGREN Tinley Park

We wish to express our sincere appreciation to the Mokena Fire department, Mokena Police Chief James Smetana, Orland Park Fire department, Tinley Park emergency squad and all friends and neighbors who came to our aid when our barn caught fire.

Lutherans and Methodist in Hot Race

Wins This Week Means Pair Will Play Each Other for Championship

STANDINGS

	W	L
Lutheran	8	2
Methodist	8	2
St. George	4	6
Reformed	0	10

With two weeks remaining on the Church league schedule Lutheran and Methodist are still in a deadlock for first place. The Lutherans managed to sneak by St. George last week 4-3, with two runs in the sixth inning to overcome a one-run Catholic lead. The Methodists had no trouble with the Reformed church team as they breezed to an easy 19-7 victory, with Louis Matuszewicz winning his first pitching assignment.

Should the Lutheran and Methodists win their next games, the league championship would be determined when they meet next Wednesday, Sept. 3, the final week of the season. However if St. George or Reformed knocks off one of the leaders this week, and the losing team, in turn, wins on Sept. 3 a playoff game would become necessary to determine the championship.

In the Catholic-Lutheran game last Wednesday, Aug. 20, Eric "Moose" Nasebandt came up with three hits and drove in two runs to lead the Lutheran hitting attack. Zimmerman and Goebel both turned in fine pitching jobs for their respective teams.

The Catholics and Methodists clash tomorrow night in Memorial park at 6:45 o'clock. The Lutherans and Reformed played last night.

Cubs Cop Tinley Little League Championship

The Cubs—not to be confused with the National League team with the same name—have won the championship of the Tinley Park Little League.

They copped the title by beating the Sox two games in a play-off last week-end.

In the first game, played Saturday, the Cubs won 5 to 2 on the pitching of Martello. In Sunday's game, Manske was the winning hurler as the Cubs triumphed 7 to 5.

Both teams displayed considerable skill during the season and finished in a dead heat, thus necessitating a playoff.

Harry Martello was the manager of the Cubs and Edgar James the coach. Robert Vallmar was pilot of the Sox and George Flett the coach.

Hawthorne to Open Tuesday

Hawthorne race course, observing its 68th year, opens its 37th consecutive race meeting next Tuesday, Sept. 2 with a first week program sparkling with features.

A tribute to the American Legion national convention and the \$10,000 Inaugural Handicap highlight the opening session of the 35-day meeting, to be climaxed Oct. 11 by the running of the famed \$100,000 added Hawthorne Gold Cup.

The other eight races on the opening program will be named in honor of American Legion national officers, many of whom are expected to be on hand for presentations in races honoring them.

On Wednesday, the feature race will be the \$10,000 To Market Handicap.

Ending the first week of the meeting, the \$25,000 added Chicago Handicap on Saturday will present many of the top grass runners to appear in Chicago this summer. This mile race over the turf course has been won for the past two years by E. Gay Drake's Dogoon, which last year equalled the track record of 1:35 1/5 in the race.

Hawthorne's physical plant, which has been almost entirely renovated during the past decade, is in top shape for opening day.

20,000 More Students

Prep Gridders Get Workouts

The sun still rides high and warm but high school football squads in Illinois are busy getting in their kicks before classes begin as permitted by the state association covering secondary schools.

Under the rules football practice can start Aug. 25 and all the schools in the area are taking advantage of the opportunity.

Many schools will be playing their first games before mid-September so there is not much time for coaches to get their charges into shape.

In the Southwest Suburban conference heavy turnouts for grid practice are reported. At Bremen high, well over a hundred answered the call and the same is true at Carl Sandburg.

At Lincoln-Way 50 reported for varsity tryouts and half that number for the frosh squad. Lincoln-Way is the smallest school in the conference, having about half the enrollment of several of the schools.

Lincoln-Way has a total of 666 students, of which 317 are boys.

Lincoln-Way's varsity coach, Joe Lashmet, has six lettermen—mostly linemen—back of juniors that are looking this year but he has a flock pretty fair. The Knights' first game will be played Sept. 12 at Lincoln-Way, against Le-mont.

There will be two games, the frosh-soph contest starting at 12:30 o'clock and the varsity tilt about 2:30.

Parent Teachers Group at L-W to Talk Football

A briefing on football and physical education for boys will highlight the Lincoln-Way Parent Teacher Group's initial meeting of the coming school year next week. The meeting will be held in the high school cafeteria at 8 o'clock Wednesday night, Sept. 3.

Varsity Coach Joe Lashmet will introduce the other grid coaches—Tom Flanigan, varsity line coach; William Cady, frosh-soph mentor and Frank McGivern, who will direct the freshman team.

Lashmet and Paul Lavin, who have charge of physical education for boys, will discuss that phase of the curriculum. A special invitation is extended to parents of freshmen to come to this first

FOOTBALL is now elbowing its way toward the center of the sports spotlight. Illinois high school squads began practicing this week preparatory to opening the 1958 season and at Lincoln-Way high, the school with the smallest enrollment in the Southwest Suburban conference, some 50 sophomores, junior and seniors and about 25 freshmen have reported for duty and have been issued equipment. The top pictures (left) show two sophomores sorting out their stuff. Wearing No. 79 is Skip Kruzich, 15, and in the No. 85 jersey is Wayne Lauffer, 15. At the right is Varsity Coach Joe Lashmet helping fit Bill Remien, 17, a senior and letterman. In the lower picture are three coaches checking out equipment. Left to right, they are: Tom Flanigan, varsity line coach, Frank McGivern, frosh, and Bill Cady, frosh-soph. The three boys (l to r) are: Don Carter, Bryan Smith and Bernie Wohl.

(Marvin Smith photo)

ORLAND PARK TRUSTEES—
(Continued from page 1)
corridor annexation and the Cook county circuit court decided the Hickory Hills case in his favor. No appeal was taken in that case so far as the matter stands now the law for bids joining property to a municipality by a narrow corridor of land. This perimeter annexation falls into the same category, Adamowski claims.

Orland Park adopted such an ordinance, the trustees explained at the time, as a means of self defense to prevent other communities from rushing in to annex property on the outskirts of Orland Park. Now that such communities have dropped such proceedings Orland Park has repealed its ordinance.

A request was received by the board from Klein and Thorpe, asking action on a request for a zoning hearing involving a parcel of land at 159th and 104th ave., where George J. Beemsterfoer Inc. is removing peat and humus. It has been requested that the land be reclassified to light industrial in the event that it should be annexed to Orland Park at some future date.

Trustees pointed out that all that could be annexed would be a hole in the ground. A motion by Trustee Doogan to the effect that the village board was opposed to annexing the property was adopted.

The board also approved Doogans motion to change the location of water meters from outside to inside. Orland Park Hills developers will make changes where needed in that area.

Duffy Construction Co. of Orland Park Hills, will furnish a blade to cut a ditch along 147th st. so the village can finish repair of that thoroughfare. The village will furnish the oil and stone chips.

Trustee Lloyd Cleveland was to ask the state highway department for approval of a request by the Orland Park Chamber of Commerce to post signs advertising the community along approaches to the village. The proposed signs are of wrought iron and paneling.

Trustee Lloyd Cowan's motion to request the Cook county highway department to widen West ave, north of the Wabash tracks to 144th st. was adopted and Attorney Pieper was asked to write the proper authorities.

CLERK TO BE ABSENT
Village Clerk Kenneth Halvorsen, of Orland Park, announced that he would not be in his office next week, Sept. 1-6.

Members Travel Many Miles to Attend the Reish Family Reunion

By MRS. LILLIAN KNOX
Fieldbrook 9-0211

The Reish family reunion which was held Sunday, Aug. 17, in the Forest Preserve near 103th ave., was well attended. The 65 members present hailed from Ohio, Detroit, Decatur and Chicago as well as Orland Park.

Thursday, Aug. 28 at 8 p.m. the Royal Neighbors will meet at the home of Lucille Uihle for the regular meeting. A social period will follow the business session. Members are urged to attend.

The Ruth Circle of the Methodist WSCS will resume activities after having a vacation the past two months. They will meet Tuesday evening Sept. 2 at 8 p.m. in the church parlors.

Mrs. Karl Ekberg, Jackie Kirby, Mrs. Sherman Knox from Orland and Miss Alice Gaily from Harvey attended the Chicago Land Music Festival Saturday.

Mrs. Bernard Homering is being congratulated on the birth of a grandson early Saturday morning, August 23 in Roseland Community hospital. The infant weighed 6 lbs. 5 oz. and has been named Michael Bernard. The happy parents are Mr. and Mrs. John Lahti. Mother and son are doing fine and expected home this week where a daughter Karen will greet them.

Mr. and Mrs. Gordon Powell Sr. have returned from a vacation trip to Ft. Lauderdale, Fla. where they were guests of his sister Mr. and Mrs. Ted Willard. The Willards formerly resided in Joliet.

Mrs. Ben Hyink, formerly of Palos Park, now residing in Hanover, is visiting her sister Mrs. Lottie Hermanson in Palos Park. Last Wednesday evening, Mrs. Hyink, Mrs. Hermanson, Mrs. Elsie Johnson and Miss Rose Enders of Orland Park had dinner at Cavallini's in Midlothian.

Mr. and Mrs. Harry Anderson, son Dick and daughter Karen are on a vacation trip. They stopped at Gladstone, Mich. where they called on some friends and then went to Iron Mountain.

Mr. and Mrs. Herbert Lucas have returned from an enjoyable trip along Lake Michigan over the new bridge to Sault Ste. Marie, west to Duluth, Minn., north along Lake Superior to Pigeon River and followed the trails, and back Wisconsin way. All in all they covered 2300 miles.

Mrs. Irene Borgo of Capron, spent a few days visiting her sister, Mrs. Stanley Cooper. Mr. and Mrs. Robert Horn, Mrs. Bertha Nicolai, Mrs. Lottie Nicolai and Mrs. Gustie Hallinan attended the open house honoring the golden wedding anniversary of Mr. and Mrs. Wm. Siemsen of Tinley Park.

The celebration was held in the Trinity Lutheran church in Tinley. Saturday, Mrs. Hallinan served as bridesmaid 50 years ago and was presented with an orchid corsage. The grand opening of the new Pure Oil Station on Rte. 45 held last Saturday was well attended. A huge display of fireworks topped the finish of the Grand Opening. Henry Klotz, owner of the station is very grateful to all who attended.

Unlike ordinary cast iron, ductile iron, which was developed by International Nickel, can be bent or twisted without breaking.

Copper deliveries by International Nickel, one of Canada's leading copper producers, during 1956 were at a post-war high of 271,000,000 pounds.

Residents Cut Down Weeds in Vacant Lots

By DOROTHY GOBLE
Phone KELlogg 2-3696

A tractor donated by Harold Bormet was used to cut down all the weeds in vacant lots. Operating the machine were Dean Pettit, Howard Jones, Joe Yokley and Lester Rockrohr. Henry and Alvin Bormet helped with minor repair work on the tractor.

Another son of Mr. and Mrs. Roy Bressi has joined the Navy. Their eldest son, Ronald, has been accepted and will be leaving soon. His younger brother, Gary, has been in the Navy for some time.

Carl Rockrohr, father of Lester Rockrohr, is making an extended visit in his son's home.

The bowling league has now ended. The Wednesday evening sessions have been enjoyed by the participants. Prizes for the sport and good fellowship a small amount of prize money was also awarded at the end of the session.

Mr. and Mrs. Henry Bormet and Mr. and Mrs. Leonard Wolfson and parents, enjoyed an exciting afternoon last Sunday at the polo matches in Hinsdale.

Breaking of windows has been a serious problem. The latest report of such vandalism occurred last week at the George Freed home. They discovered the glass in their storm door had been broken while they were away during the day.

Young Anthony Yokley has been very lonely since his pet racing pigeons flew the coop. He has learned they returned to their original owner. He will now try again with baby pigeons in hopes they will stay at home.

Linda Padgett is proud of the white bible she received at the Nazarene church last Sunday. It was a reward for bringing the most children to Bible school.

Mrs. Barbara McVey suffered a broken leg when she slipped on the steps of her home two weeks ago. The steps had been temporarily erected while construction work was being done at the home.

The Southlands Property Owners association will meet in the Kirby school at 8 p.m. Sept. 4. Residents are invited to attend.

The new third and fourth grade teacher for the Kirby school will be Mrs. A. D. Corde. She resides in Tinley Park and is the wife of the Rev. Corde, pastor of the First Baptist church in Tinley Park.

John F. Ritter Named as Scout Executive of Rainbow Council

The employment of John F. Ritter to Conservation. He is a member of the Order of the Scout executive, of Rainbow Arrow, a national honorary Council, Boy Scouts of America, effective Oct. 1, was announced today by Frank E. Condon, council president. Ritter assumed the scout executiveship of Harrison Trails

John Ritter (left) and Frank E. Condon, amazo, Michigan, Community Chest for outstanding Community Chest service.

A native of Harrisburg, Pa. Ritter entered professional Scouting in 1944. Previous to his employment as a field scout executive, he was employed as a reporter for several different daily newspapers and later as a staff correspondent for United Press. A graduate of John Harris high school, Harrisburg, Ritter studied law through LaSalle extension university, is a graduate of the national training school for scout executives, and has been a leader at several clinics at Purdue university.

A veteran of World War II, Ritter is married and the father of three children. He is a member of the Presbyterian church, the Masonic lodge, Parent Teachers Association, past member of the Kiwanis club, and has been active in the United Fund of Greater Lafayette and Tippecanoe county.

Ritter will move his family to Joliet shortly after October 1, 1958. The council is composed of Will, Kankakee and Grundy counties.

Ritter succeeds Francis J. Geiger, who has been Scout executive of Rainbow Council since 1950. Mr. Geiger will be on vacation several weeks and then on leave of absence until Nov. 1, after which he will be available for assignment by the Scout national council.

A veteran of 21 years of Scouting experience, Ritter entered Scouting as a Scout in 1937, and earned the rank of Eagle Scout and Quartermaster Sea Scout. In 1941, he was the fifth Scout in the nation to be awarded the Hornaday Gold Medal for Distinguished Service.

Put Hickory Hills Case Over to Sept. 9

(CNS) County Judge Otto Kerner has continued for a second time an out of court conference with attorneys attempting to reach a compromise in the battle over control of a section of territory south of Hickory Hills.

The continuance—to Sept. 9—was allowed at the request of Worth Village Attorney Arthur Thorpe, engaged in another court.

The legal battle involves 225 acres west of Worth, where some property owners seek to be annexed to that village. Others in the area want the land included in their petition to incorporate as the City of Palos Hills.

W. O. Murphy's Observe Silver Anniversary

By MRS. ROBERT ANDERSON
Phone Fieldbrook 9-2857

Mr. and Mrs. William O. Murphy celebrated their 25th wedding anniversary Sunday. Guests were invited to an Open House from 4 to 8 p.m. at their home on Redondo Lane.

The elaborate buffet dinner consisted of exquisite jello molds, and salads, platters of ham and turkey, coffee, iced tea and the pretty anniversary cake. Several of the guests brought cameras and took movies of the party.

Ensign Bill Murphy, Jr., on leave from the Navy, after having graduated from Officers Candidate school at Newport, Rhode Island was home for the celebration. Ensign Murphy reported to his new base at Brunswick, Ga. Monday morning.

Recent vacation returnees are: Mr. and Mrs. George Carroll and family home from their vacation in Minocqua, Wis., Mr. and Mrs. Karl Olson and son, David who visited in the New England states and the Arthur Arnold family.

Mr. and Mrs. John Nelson gave a Mexican dinner on their patio last Saturday evening. The dinner was prepared by a Spanish friend who is teaching Mrs. Nelson and her daughter Janine, to speak Spanish. Guests ate enchiladas which are made from tortillas stuffed (sandwich style) with lettuce and ground beef or chicken, beans prepared ala-Mexican, Spanish rice and HOT hot sauce for the enchiladas.

Mr. and Mrs. Al Karre entertained son George's friends at a surprise birthday party for him and his wife Nancy, Saturday night.

Glad to see neighbor Fred Diekmann up and around again Fred sprained his ankle while painting the gutters and was walking around on crutches for awhile.

It's nice to have Jim Hall home again. He was in the Silver Cross hospital after a serious accident on Route 6 when another motorist forced his car off the road, causing it to hit a tree.

Mrs. Robert Anderson entertained guests at a patio luncheon Wednesday, August 20. The menu, chicken casserole, fruit jello mold, rolls, desert and coffee. Neighbor Mrs. Walter Biedermann who was unable to attend sent a cake she had baked. Guests were Mrs. John Nelson, Mrs. H. L. Woodbury, Mrs. William Garvin, Mrs. William Donohue, Mrs. Arthur Aiello, Mrs. William Snedden, Mrs. Mose Heg-

yi and Mrs. Al Karre of Laguna Woods. Mrs. Robert Lincoln of Chicago Heights and Miss Joan Franz of Stewart Ridge.

Al Karre kindly consented to play the organ at the Christ Evangelical Lutheran church last Sunday as the church organist was away on vacation.

Norman Hegyi was host to several friends at his home on Sunday evening. The boys played games and Mrs. Hegyi served "boy size" dishes of ice cream. Norman's guests were Mike and John McBride, Charles Harris, Bruce and "Skipper" Niebrugge.

Homer

Auction Sale on Otto Konow, Sr. Farm Sept. 13 to Benefit Church

By ELIZABETH ANDERSON
Lockport 896W2

Among the articles which will be offered for sale at the church benefit auction which will be held at the Otto Konow, Sr., farm the evening of Sept. 13 are home-made bakery and canned goods, eggs, spring pigs, chickens, a davenport, platform rocker, gas stove and lamps, a picnic bench, kitchen chairs, radio-phonograph, space oil heater, ironing board, table, a hand made patch work quilt (new), some antiques, a doll, also a 9 foot International disc, auto parts, 15 inch tires etc.

Lunch will be available; Mr. Schmaedeke will be the auctioneer and the usual pleasant time is anticipated. If you have not already told the committee what you will donate, please contact Sparky Shepherd, Otto Moravec, Ralph Reiter or Bruce Anderson.

There will be no Sunday school or church service at Homer on Aug. 31, but every one is expected back at 9:30, Sept. 7 when the Sunday school will observe the annual Promotion day. Certificates will be given to those who are passing into another class.

The Wayside Workers Circle of Kings Daughters will meet in the home of Mrs. Clara Kettering, 625 Washington st. Lockport, Thursday evening, Sept. 4.

Nineteen persons from Homer twp. attended a Congregational Church camp at Long-Win lake near Union, Mich., during the past week. The group included the John Hollister family, the Roy Hansons, Mrs. Ira Anderson, Edna Mae and George Burcham, John Filipowicz, Donna Reed, Dianne and Jerry Morevec and Billy Grimm.

They left early Monday and returned Sunday evening. Rev. Hanson acted as assistant director of the camp. Edna Mae served as a life guard and cabin counselor. Mr. and Mrs. Hollister helped with the recreation and music. Mrs. Hanson was a cabin counselor and Mrs. Anderson was a kitchen helper.

The Hanson family are on an eastern vacation trip this week.

The name of Mrs. Mary K. Baltz was unintentionally omitted from the list of teachers who will teach at Homer Consolidated school when the fall term begins Sept. 2.

Mr. and Mrs. Herman Benck have returned from a vacation in northern Wisconsin. Ralph Benck has been home for a short vacation from his school duties at the University of Nebraska.

Several people from here attended the Fair at Peotone during the past week.

The Eugene Andersons spent a few days vacationing in the eastern states. Their route included Niagara Falls, a visit with the Charles Eklund family at Little Valley, N. Y. and the L. E. Hish family in Pennsylvania.

Misses Clara and Minnie Eiskamp of Matteson visited in the home of their niece, Mrs. John Marks and family Friday.

Alon Shepherd had his leg quite badly burned and bruised when he became caught in a belt while at his work recently.

Bruce Anderson has returned from Silver Cross hospital where he underwent surgery last Thursday.

Douglas and Ronnie Ziesemer helped with the farm work at the Anderson home during Bruce's absence.

The Chester Filipowicz's have returned from a Pennsylvania vacation.

Walter Boyce has accepted a teaching position at Minooka High school for the coming term.

Mr. and Mrs. Lewis Barr of E. Seventh st., Lockport, who are former Homer residents, are the parents of a daughter, born Aug. 18 in Silver Cross hospital. She has been named Dana.

The Edwin Reiter of Parker road are the parents of a son born in Silver Cross hospital on Aug. 22. Mrs. Reiter is the former Barbara McCure of New Lenox.

Miss Myra Reed and Mrs. Iola Storm will be hostesses when the Missionary society meets at Homer church Thursday of this week.

Business and Finance

By MAURICE P. ANGLAND

Common stocks have generally been rising steadily for

quite some time without any real break in prices. This has been an unusual situation and is explained by some as what is called a "flight from the dollar" ob-

lar." This means that investors are switching their funds from "fixed dollar" obligations as bonds, etc. into common stocks which, on the average, rise at slightly greater rate than the depreciation of dollar purchasing power.

Financial journals are filled with comments and suggestions of what should be done to keep the depreciation of the dollar within limits of

less than 3 per cent annually. The Federal Reserve board of governors has the power to tighten money supply and credit, but in doing so, they drive interest rates up. The government is now paying very close to 2 per cent on short term notes—91 days—which is higher than it has been for quite some time. Naturally, other borrowers pay no less than this amount with corporate and government bonds selling on a yield basis which has brought about a reduction on their market values.

The board of governors of the Federal Reserve is faced with a difficult problem. They do have the power to restrain this constant dollar depreciation, but to do so, credit must be tightened with rising interest charges to the government, states, cities, corporations, etc. This, of itself, aids inflation.

Some corporations can avoid the bond market to secure new capital to meet necessary requirements. They can sell their common stock to investors to raise needed funds or sell bonds which are convertible into the common stock at prices which attract

institutional investors who, for one reason or another, limit their investments largely to bonds. The American Telephone & Telegraph Co. has been raising needed capital for many years with convertible bonds, and has had to redeem, with cash at maturity, very few of its bonds. This is one reason why AT&T stock has not reflected depreciation of the purchasing power as well most other high grade commons.

Electric utilities would find this a difficult method of securing needed funds for normal expansion as dilution of common stock earnings would lessen per share earnings and make this stock less attractive.

Real estate mortgage money is available altho likely at higher interest rates. Governmental aids make this a distinct situation. New homes are expected to reach the 1955 mark.

The Congress started this session with many speeches of intention to cut spending to hold the line. The results, however, are likely \$12 to \$13 billion dollar deficit due to cold war spending and various increased spending on public works, etc. This was predicted.

Labor union leaders are prisoners of their own power. Large unions are a new phenomena for this country. The leader's political and social power as well as monetary rewards, make competition for this power very keen. If one union leader obtains increases for his group, other leaders must obtain at least as great benefits to retain power. Their members are not generally interested in philosophy or economics as such. Their interest is in immediate problems.

The Full Employment Act of 1946 was not enforced in force in the recent recession. This act directs the Federal Reserve Board to use its money and credit powers to insure full employment. This act could be invoked to protect a large union's actions even tho it had priced itself out of its market. This is an inflationary act. Labor will demand its gains and business must have profits to reward stockholders investments and attract needed capital.

For many years Alaska fur seals have been tagged by the United States Fish & Wildlife Service in order to trace their movements. The tags used are made of Monel nickel-copper alloy because it stays bright for years and does not rust, corrode or scratch easily.

The United States produces the greatest amount of iron and steel in the world.

Lincolnwood

Provide Buses for Pupils at Schmuhl School

By DELORES ANDERSON
Phone New Lenox 3651

The Schmuhl school will have bus service again this year for the children. The bus fare which is pro-rated according to families, is payable two months in advance, the first time, and is to be paid to Mrs. Vernon Newsome.

Mr. and Mrs. Harold Wollenhaupt and family had as their guests over the past weekend, her parents, Mr. and Mrs. Bruce Van Epps and daughters Bonnie and Nancy of Lansing, Mich.

Marcia Hutchison of Joliet spent a few days last week with Caryn Wallenhaupt.

Mr. and Mrs. William Mettam and son Timmy of Mt. Prospect, Ill., were guests of Mr. and Mrs. Harold Wollenhaupt and family Tuesday.

Mr. and Mrs. Al Kalmer who just returned home last Monday from Fullerton, Maryland where they attended funeral services for her brother, Caleb, 40 years old, who was killed in an automobile accident were called Saturday morning to Seven Valleys, Pa. upon the death of her mother Mrs. Susan Crone.

Mr. and Mrs. Earl Dieken and children have returned home from a camping trip to Michigan.

Mr. and Mrs. Robert Taylor and daughters have returned home from a vacation camping trip to Wisconsin and Michigan. They enjoyed a camp out at the J. W. Wells State park at Escanaba, Wis., Brimley State park at Michigan, and at Interlochen, At Sault St. Marie Canada, they visited with an uncle, G. M. Johnston.

Mr. and Mrs. Clifford White and family visited Brookfield zoo on Saturday. On Sunday Mr. White and daughter Debbie attended the Peotone Fair.

Natl. Tea Sales Continue Climb

H. V. McNamara, president, National Tea Co., today announced that the company's sales for the four week period ending Aug. 9, 1958, as well as overall sales for the 32 weeks of the year to date, have reached a new all time high, showing an increase in excess of \$75 million as of August 9, 1958, which establishes the highest sales on record for the Chicago based food chain for any like reporting period in the company's 59 year history.

Consolidated sales of National Food Stores and subsidiaries for the four weeks ending August 9, 1958 totaled \$58,651,705, which was an increase of \$6,295,715 and a gain of 12.02 per cent over the same period of 1957, when the com-

Cathy and Carla Baker have returned home from Muskegon, Mich., where they spent a month vacationing with their grandparents, Mr. and Mrs. Ray Baker Sr.

Members of the Busy Hour 4H club met Tuesday afternoon Aug. 26 at the home of their leader, Mrs. Alice Chestnut.

Raymond Clark III was the name given the infant son of Mr. and Mrs. Raymond Baker Jr. at the christening service held Sunday afternoon at 2 o'clock, in St. Mary's Catholic church at Mokena, Fr. Cecil Koop officiated at the service, and sponsors for the baby were his grandparents, Mr. and Mrs. Raymond Baker, Sr. of Muskegon, Mich.

A dinner honoring the occasion was held at the Baker home at 3 o'clock for the following guests: Mr. and Mrs. Roy Hedrick and daughter of Kankakee; Mr. and Mrs. James McNamara and son of Joliet; Mr. and Mrs. Ray Baker, Sr. and sons Chris and Allen Baker, of Muskegon, Mich., and Miss Carol Long of Lowell Ind.

pany's sales totaled \$52,355,990

Year to date sales for the 32 weeks ending August 9, 1958 totaled \$470,654,949 as compared with \$395,070,747 for the corresponding period of 1957. This is a gain for the year to date thru Aug. 9 of \$75,584,202, with total sales thus far running 19.13 per cent ahead of the previous highs recorded for the corresponding period of last year.

Stores in operation as of Aug. 9, 1958 totaled 922 as compared with 871 stores in operation at the same time a year ago. For the year to date the company has opened 60 new super markets, 48 of which are in new locations and the balance relocations of former stores, which have been closed. Twenty three additional super markets were gained thru acquisition. It is further reported that the company has 111 more stores under lease for opening during the balance of 1958 and in 1959.

The addition of nickel to aluminum bronze produces an corrosion and erosion by alloy with excellent resistance sea water, making it highly suitable for ship propellers and other marine applications.

The Louisiana Purchase almost doubled the size of the United States.

PLENTY OF HOT WATER FOR SHOWERS

PLENTY OF HOT WATER FOR AUTOMATIC WASHERS

PLENTY OF HOT WATER FOR DOING DISHES

Tip for home owners:

You'll be happier with a new FAST Electric Water Heater

All the hot water a big family needs—automatically, electrically—24 hours a day!

This is the new kind of electric water heater. It is compact, economical to own and operate and is designed to deliver plenty of hot water fast. Enough for showers, shaves, big automatic washers, electric dishwashers and cooking needs.

Clean, foolproof, fully automatic.

Fast Electric Water Heaters are clean as electric light. No fumes, no flues, no dirt. No pilot to light, or blow out. You can go on a trip

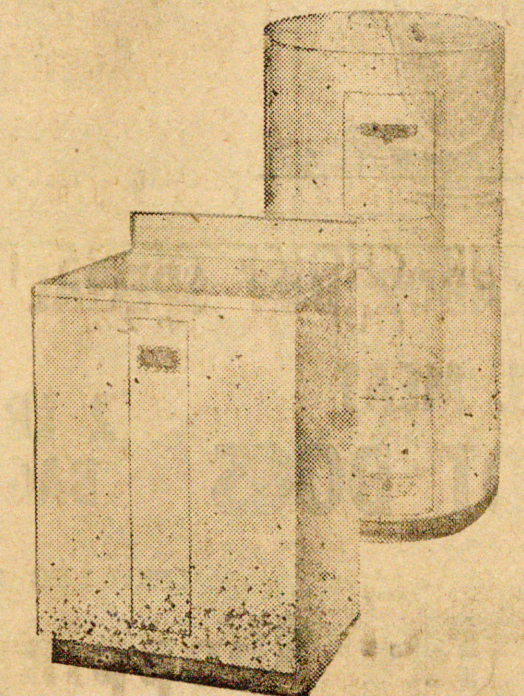

without turning it off. So you have hot water at the turn of a tap when you return.

Compact, easy to install, economical! Because no flue is needed, a Fast Electric Water Heater fits easily in a closet, kitchen, utility room, bathroom—wherever you want. Takes no more space than a dishwasher. Shorter pipe runs mean less heat wasted by water cooling in pipes. Most makes have a 10-year warranty, even longer life expectancy.

Modern builders everywhere are featuring new
Fast Electric Water Heaters

FARM NEWS

For
Cook County
by
W.F. Whiteside

Assistant farm adviser

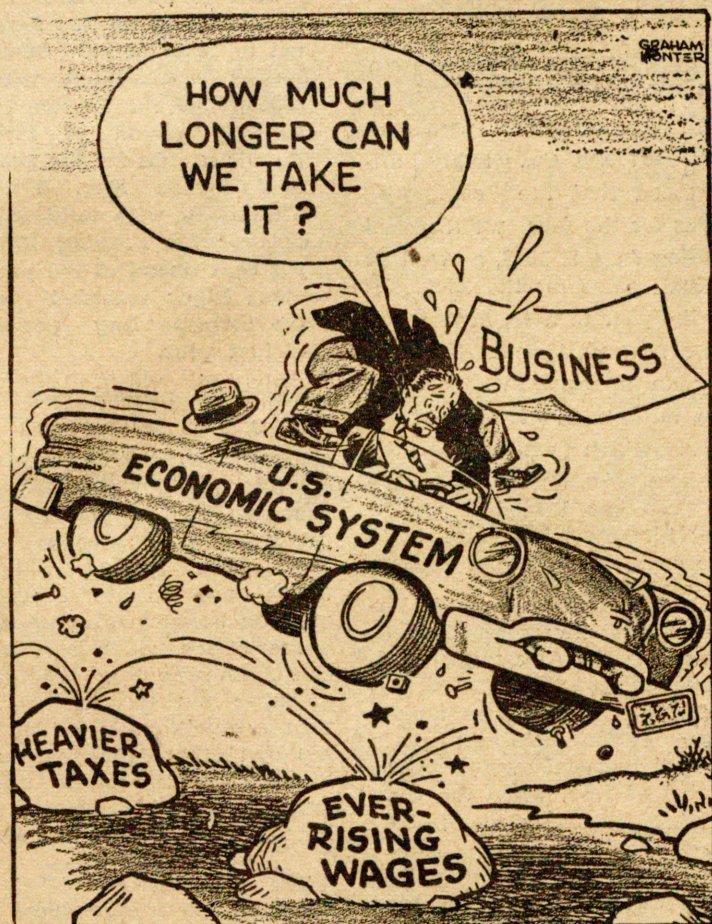

The scores for the 4-H Keeping-Fit Field Day are complete. They were processed by machine at the University of Illinois. The high scorers in this year's contest were: Jack Uthe, Rachel Mueller, Robert Stader of Midlothian; Robert Stellwagen, Kay Maue, Bob Butzer, of Tinley Park; Carol Mrosek, Orland Park; Fred Dyrcz, Blue Island; William Schwartz, Park Forest. These 4-H'ers are to be commended on their fitness. There will be awards for all 4-H'ers who showed improvement in their scores over last year. These awards will be given at the

annual Achievement Program in November.

The South Cook 4-H Fair, even though only one day in length, was quite successful. All 4-H members, leaders and parents are to be complimented on their contribution towards the success of this program. I would also like to thank all those who worked so hard to make the Fair a success. I would even go so far as to thank the weather man, since it was a beautiful day.

Veterinarians at the Uni-

BUMPY ROAD!

versity of Illinois, not to be outdone by show business, have planned an exhibit for the 7th Annual Dairy Day, entitled "The Purple Profit Eaters". This exhibit will show dairymen the latest developments in mastitis control, the number one dairy disease in Illinois today. This will be one of a number of interesting exhibits in connection with Dairy Day September 4 on the U. of I. Campus. The program will start at 9:00 a.m. at the Lincoln Avenue dairy barn. It should be completed by 3:30 p.m.

Silo filling time is just around the corner. Newly filled silos may harbor gases dangerous to men and livestock. The greatest danger from these gases occurs after filling operations have been stopped for a while during the day or overnight. It is best to operate the blower several minutes before anyone enters the silo.

The Agronomy Department, U. of I., would like to extend an invitation to all farmers to attend Agronomy Day, Sept. 11. The program will start at 9:30 a.m. and will include such interesting topics as high oil and high protein corn, dwarf corn, gibberellic acid on soybeans, minimum tillage and fertilizer studies. The agronomy farm sight of the event, is on the south edge of the U. of I. campus, Urbana. Visitors can also visit the world famous Morrow Plots, America's oldest experiment field, located near the center of the campus.

It is time to renovate your lawn, if this seems necessary. It is best to start the job in August so you can seed in September. The first step is to kill the weeds and grass. Apply fertilizer and sow your seed. Detailed instructions can be obtained by writing this office for Circular 729, "How to Have an Attractive Lawn."

Now is the time to give special care to your strawberry and raspberry plants. You should remove and burn all old raspberry canes that bore this year, and mulch the soil around the plants. Narrow the rows in your strawberry patch down to 18-24 inches. The strawberry bed should be mulched with straw that is clean of weed seed. The mulch for your strawberries and raspberries should be applied after two or three frosts and before the temperature drops below 20 degree F.

If you plan to seed wheat this fall, it is best to obtain good seed. If you plan to use your own seed, be sure that it contains less than 16 per cent moisture. Seed should be treated with Ceresan M of

Panogen. For normal wheat, use 3/4 oz. per bushel of Panogen, or 1/2 oz. per bushel of Ceresan M. If some grain is sprouted or moisture is over 16 per cent, the Panogen treatment should be reduced to 1/4 oz. per bushel and the Ceresan treatment to 1/4 oz. per bushel. Delay seed treatment until a week or less, before planting, since these fungicides may reduce germination.

Mokena

Pull Down and Burn Ruins of Guthrie Home

There was another fire Monday night at the Guthrie home on First street, but this time it was not alarming. The fire which damaged their home several weeks ago was of such extent that the house could not be repaired. The last several days wreckers worked to take down the house, it being accomplished with chains and a tractor pulling which brought the remaining walls down with a crash. The material that could not be salvaged was piled in a huge heap and burned. The Mokena firemen stood by with the truck in case it got out of hand. There was no wind and it was safe to have the big bonfire that day.

The next card party sponsored by the Auxiliary to the William Martin VFW post will be held in their hall on Wolf road, this Saturday evening, August 30 starting at 8 o'clock. Refreshments will be served by Mesdames Evelyn Moss, Ruth Doctor and Mildred McMillan. Everyone is cordially invited.

Joyce Seal of Mokena and Faye Andersen of Lockport attended the baton contest last Wednesday in the Conrad Hilton hotel in Chicago.

Joyce and Pamela Stankus entered a baton contest in the Conrad Hilton hotel, Sunday in which Joyce won a first place medal in the beginners class in her age group.

Pamela won a second place medal in her age group.

The Evening group of the WSCS of the Methodist church will again serve school luncheons as they did last year. The first luncheon will be held in the Fellowship hall of the church Wednesday, Sept. 17, starting at 11:30 a.m. The menu will consist of barbecue, potato chips, cup cakes and orange drink. The price will be the same as last year.

The Manhart family reunion was held Sunday at the home of Mr. and Mrs. Richard and Tomanv in New Lenox. There were 23 present which included Mr. and Mrs. Darrell Manhart of Fontana, Wis., formerly of Mokena and their children and families: Mr. and Mrs. Delain Manhart, Palestine; Mr. and Mrs. Shirl Firehammer, Hebron; Mr. and Mrs. Charles Manhart, Mokena; Mr. and Mrs. Melvin Spiess, Lewis Manhart, Fontana and the Richard Tomanys. Wilbur Buske of Center st. attended the funeral of his grandfather, William Michau held in Chicago Wednesday afternoon. Mr. Michau, 87, died suddenly in his home in Chicago Saturday morning. He formerly lived with his daughter and husband, Mr. and Mrs. Paul Buske, on N. Wolf road, Mokena. He is survived by eight children, 25 grand children and 35 great grand children. Burial was in Rose Hill cemetery, Hammond, Ind.

Mrs. Marion Sizer returned last week from Miami, Fla., where she lived for several years and was employed as a nurse. Mrs. Sizer expects to undergo surgery to correct a broken bone in the spine.

PTA News

TINLEY PARK UNIT

Summer for most is a lazy relaxing time but the PTA Executive board has been spending busy hours appointing chairmen to carry out the '58-'59 program. Mrs. Walter Barton has rounded up speakers and films to help make this a well planned and full program for the coming year, it was announced.

The executive board consists of: Mrs. Kenneth Schmudde, president; Mrs. Walter Barton vice president; Mrs. Noel Gibbons, secretary; and Mrs. Robert Lillie, treasurer. Other board chairmen are as follows: Membership: Mrs. Allan Howie; ways and means, Mrs. Irwin Johnson; librarian, Mrs. Sidney Feiwell; summer round up and custodian, Mrs. Edmund Magee; legislation, Supt. Walter Fierke; publicity, Mrs. John Naughton; student aid,

Schools in Cook County to Teach Scooter Safety

(CNS) Cook County officials will launch a motor scooter and motor bike safety program in suburban high schools shortly after Labor Day.

In announcing that teams of Cook County Traffic Safety Commission instructors will conduct the program, Daniel Ryan, county board president, said the instruction will be given only at schools requesting it. Suburban Cook county has 56 public and parochial high schools.

The program has the support of County Superintendent Noble J. Puffer, who said: "A start on this program is extremely important. You may find some bugs in it at the beginning, but they can be eliminated. The big thing is to get it underway."

One girl was killed and another seriously injured near Aurora last week when the girl steering the scooter they were riding turned in front of an auto.

Mrs. Bernard Ercius, room mother, Mrs. Charles Moore, infant welfare, Mrs. Nicholas Schullen, historian, Mrs. Harry Schmidt, publications, Mrs. Wm. Wallenbecker, hospital-ity, Mrs. William Owens, bake sale, Mrs. Wm. Fletcher, parent education, Mrs. Harold Petersen, health, Mrs. Edward Barker, safety, Mrs. Clifford Feulner, music, Mrs. Kenneth Crandall.

The subject of the first regular PTA meeting will be "Let's Learn About the School and PTA Personnel." Meeting at 8 pm. in Central school.

Wisconsin Suffers from Drouth

Drouth areas this year in the eastern United States have been very much localized and are small in area. In recent years, reports of the southern third, the western third, or the eastern part of this great producing area being badly injured by drouth have been common. This year, however, presents an almost unbroken area of ample moisture extending eastward from the western boundaries of the Dakotas, Nebraska and Kansas to the eastern coast. Only states with severe drouth damage are Wisconsin and Michigan and that is confined to rather limited areas. Another small area centering on the corner where Minnesota, Iowa and South Dakota come together has also been hurt by dry weather.

Most states report a tremendous hay crop with low prices in prospect, but not Wisconsin. Our DeKalb reporter there reports yields of as low as 10 bales per acre, with general scarcity. Late planted corn is being put in the silo to save what little growth it has made before it dries up. In some Wisconsin areas, pastures have completely dried up. As a contrast in southern Ohio, many farmers have not been able to store any hay because of continuous wet weather.

The abundance of rainfall in July in Nebraska was almost unbelievable for that formerly drought ridden state. The rainfall averaged more than four inches above normal, with the great crop producing eastern half reporting totals ranging from six to twelve inches. By contrast, back in 1955, much of Nebraska received 16 inches of rainfall in a whole year! The July rainfall in that year was mostly less than two inches.

Very favorable conditions for small grain are reported from the great Northwestern producing areas in the Dakotas and Minnesota. For example our reporters in southwestern Minnesota says that their area expects to break yield records for six small grain crops. They are oats, barley, durum wheat, spring wheat, winter wheat and rye. Harvesting conditions have been generally favorable in the entire Northwest, so that their big crop will have quality as well as quantity.

Roy S. Lewin, Donnelley street address division manager, said that each of the 20 sections of the South Suburban book will be introduced by a map and street guide of the area covered in the section. These local maps, especially drafted for the edition, now show streets outside town boundary lines. Also included is a map of the entire area covering approximately 195 square miles and showing Harlem ave., Cicero ave., Cottage Grove ave., and other main streets and crossroads.

The volume is compiled from Illinois Bell Telephone Company records and telephone numbers appear with each listing. The directory is used by business firms to prevent check cashing losses, cut office and delivery expenses, obtain credit information, bring mailing lists up to date, trace and collect unpaid accounts, find property owners, and check emergency news sources.

L. W. Reich, Donnelley regional general manager, said that the directory like last year's volume, will carry no advertising and will be leased to users on an annual basis.

Jim Duffy, project manager of Orland Park Hills, housing development believes that being a good neighbor involves positive action.

Despite the pressure of completing more than a house a day in Orland Park Hills, they took time out this summer to build a modern six room cottage for the Lt. Joseph Kennedy School for Exceptional Children at Wolf and McCarty roads in nearby Palos Park. The home, to be occupied by the school engineer, is the sixth cottage to occupy the school grounds.

The Sisters selected from the models in Orland Park Hills the popular colonial home known as the Betsy Ross, which is a 6 room home with attached garage.

Complete House For Sisters At Kennedy School

The Kennedy School is an Archdiocesan school for educable mentally handicapped

boys between the ages of 6 and 20. It was opened in 1919 in an old farm house and barn. Then, as now, it was staffed by the Sisters of St. Francis of Assisi, who are specially trained at Cardinal Stritch College in Milwaukee to meet the needs of the exceptional child. The original enrollment consisted of 36 boys.

From this humble beginning the school has grown to an institution comprising a modern functional school building with an auditorium and temporary chapel, a sewage disposal plant and towering water sphere, a central kitchen with radiating dining room, a heating plant and laundry.

The school provides academic learning, spiritual enrichment, social contacts, physical development and occupational training for boys who, without this special nurturing, can not develop to their maximum capacity.

The late Samuel Cardinal Stritch, at whose invitation the school was opened, had been a devoted supporter of the institution.

The present enrollment is 180 boys. Limited facilities for day students have recently been provided, according to Sister Mary Romuald, Superior.

The Sisters hope to complete a design for full development which will include four additional cottages, a chapel, infirmary, convent and an administration building. They hope to reach this goal thru charitable donations.

Henry Wadsworth Longfellow wrote "There was a little girl and she had a little curl right in the middle of her forehead."

Name Plainfield Man to Farm Home Group

John H. Phelps, of R.R. No. 3 Plainfield, has been appointed as a member of the Will County Farmers Home Administration committee, Vincent L. Brandow, the agency's county supervisor, announced this week.

The other two members serving with Mr. Phelps are Edwin F. Dempsey and John B. Handorf. Mr. Phelps succeeds Walter M. Noble, whose three-year term expired this year.

Each agricultural county in Illinois has a three-member committee to work with the county supervisor to make the best possible local use of the agency's farm credit service program. The committee determines the eligibility of applicants for all types of Farmers Home Administration loans, and determines the suitability and fair and reasonable values of farms to be taken as security for real estate loans.

It also reviews borrower's progress as they pay off their FHA loans by means of improved farming and turn to banks and other lenders for the credit they need.

The Farmers Home Administration is an agency in the U. S. Department of Agriculture that supplies long-term credit to farmers to buy or improve their farms, establish suitable soil and water conservation measures, and build or repair farm houses or other essential farm buildings. It has intermediate or short-term credit for farm operations or to meet emergency needs.

The area of Will County is handled from the county office at 224 1/2 Liberty Street, Morris, Illinois which services five counties in this vicinity. Mr. Vincent L. Brandow is the county supervisor in charge of the office. Mr. Brandow is in Joliet on the first and third Thursday mornings of each month in the Farm Bureau office.

Because it conducts electricity much more readily in the light than in the dark, the element selenium is valuable for photoelectric applications.

The word "girl" appears twice in the King James version of the Bible.

South Suburban Directory Will Cover 49 Towns

Telephone subscriber residents of Markham, Homewood, Orland Park, and neighboring communities will be listed in the order of their street addresses in the third annual edition of "The South Suburban Street Address Directory", to be published by The Reuben H. Donnelley Corporation, Chicago, on Tuesday, Sept. 2. The volume will cover 49

principal towns south of Chicago and will contain the names of more than 99,000 families and businesses. The section

Planning Best for Area

The village boards of Mokena and Frankfort are to be congratulated on their decision to give their plan commissions professional aid in guiding the growth and development of the area.

Determining the best use to which property may be put is a difficult task without help from persons who have been trained for this work. City and area planning is still somewhat new and while there are many individuals and firms who claim to be experts in the field there are comparatively few who are really qualified.

The Mokena and Frankfort plan commissions have been negotiating with two firms who rate high in the field so the final choice should be a good one.

The plan commission in themselves are a necessity if a community is to grow properly. Too many communities have neglected to plan for an orderly development and the resultant

hodgepodge is bad for property values as well as offensive from the esthetic standpoint.

When a plan commission has filed a copy of a land use map for a city or village it has jurisdiction over building and development for a radius of a mile and a half the municipal boundaries. This enables a community to enforce its zoning and building codes outside of its limits and to prevent the location of objectionable developments or projects on its borders.

Expert planning is a protection for prospective homeowners, business and commercial firms and manufacturers.

The Chicago region, particularly to the southwest, is due for exceptional growth in the next decade, according to expert opinion.

This means that whether they like it or not, the suburban towns will continue to grow. The only recourse left to us away from the city is to guide and chart this growth so we can control it instead of it controlling us.

Country Club Hills Election

Citizens of Country Club Hills, the recently formed city east of Tinley Park, are to be highly commended for the public interest and civic responsibility displayed in the election last Saturday.

On that day the new city elected its first officers, mayor, city clerk, police magistrate, treasurer and six aldermen. There are some 800 registered voters in the city and more than 600 of them voted. We hope they continue to show such interest in municipal affairs.

We also wish to congratulate the newly elected officials and to wish them well. They face difficult and thankless tasks. The only compensation they will have and may expect

will be the satisfaction of doing the best job they can.

That they will be frequently criticized and often abused, especially by the selfish few who become incensed if denied something that would not be of benefit to the many, is as much a certainty as the taxes they will have to impose. That is a part of the price paid to perform public service.

That the winning candidates have the public's confidence was evidenced by the comfortable margins by which they were elected. We hope the administration of city government will be carried out in such manner in Country Club Hills that the officials will merit this confidence thruout their tenure of office.

On Second Thot

By G. F. L.

It seems to me that the formers of the proposed judicial amendment to the Illinois Constitution must have been so engrossed with preparing demerits, rejoinders or sub-rejoinders when Opportunity came knocking at the door that they didn't even look up.

Most persons find Law to be a dry, drab, colorless subject when viewed as a whole and associate it with dust, cobwebs and tall, thick tedious tones in which where-ofs, whereins, hereins, and hereof compete with Latin terms in driving the unintiated to slumber.

That's where the judicial tinkers missed the boat. They failed to add a dash of color to the package. True, it is called the Blue Ballot—a compromise between Republic white and Democrat green—but blue really isn't exciting enough. Something out-size in technicolor would be better.

The proposed judicial amendment, now a mine run production, could have been exploded on the public as a spectacular that would have had the voters

standing in the aisles.

All the makings of a spectacular are there and it is too bad that the tinkers didn't call in Cecil D. de Mille. Mr. de Mille would have gone to town. There is a very fat part in the piece for a good heavy—the Administrative Director. The Administrator Director would have a staff and therefore, in effect would be head of the Supreme Court's secret police set up to watch the lesser judges, in constant search for idlers and shirkers or potential rebels.

Mr. de Mille probably would pick a big man—physically, that is—for the part. He would have powerful arms and hands, wear the battle dress of a Roman legion general and carry a coiled whip in his hands as he made his rounds, riding the circuit in a chariot drawn by three fiery, plunging steeds.

His staff could go around disguised as kings, princes or plumbers—apparently harmless creatures but with the knife or strangling cord ever ready at hand.

There are courts in our land in which the judges sit in robes but these are simple black jobs that could be confused with those worn at thousands of college and high school commencements each year. The British judges wear robes and wigs, a custom that none of our beaks—if you will pardon a spot of English

slang—have altho no doubt many would if they dared.

At present an American judge wearing a wig would probably feel as self conscious as a man in Bermuda shorts at longshoremen's union meeting but if it were mandatory—ah, that would be different.

Mr. de Mille no doubt would furnish the supreme and appellate court judges a rich and lavish setting but with proper management the circuit and associate judges called for in the amendment could walk away with the show. Under the proposed amendment there would be no crim-

Joe's to wet his whistle or mend his fences, he makes his way unnoticed. That's no way to sell the court system to the public. What is needed is color, drama!

Under the proposed judicial amendment color could be provided. A judge could travel in true Hollywood style, even when performing simple errands. Take any county seat. People are going about their business. Suddenly an aerial bomb explodes. The big double doors that form an opening into the court house fly open. There is a fanfare of trumpets, a roll and crash of drums and out on the sidewalk marches 25 magistrates clad in green satin Turkish trousers, white

THE NEWS-BULLETIN
Thursday, Aug. 28, 1953 Mokena, Illinois Page 15

silk shirts, red sashes and gold capes. Each carries a trumpet to carry the air. Then comes the circuit judge, in purple and gold robes, knee breeches, blacked shoes, and a double wig. He is attended by two associate judges in scarlet and gold robes who walk three paces behind. Twenty former police magistrates, now pointees of the circuit judge, march as flankers, 10 to a side, beating drums, while bringing up the rear are 25 trombones, played by 25 more magistrates. They too are in the green and white apparel heretofore described as worn by the aforesaid front march-

ing magistrates, which if you like, could be called parties of the first part. And following the court would come rank after rank of attorneys, garbed in decent black seersucker and carrying writs of no exeat republica, habeas corpus and subpoenas duces tecum in lieu of banners.

This wouldn't get any more cases tried, of course, and wouldn't do anything to serve justice but by golly, it would help sell Big Government and besides—everybody loves a parade.

Achievement Scholarship Given to Marcia Szaton at Grinnell

Marcia Szaton, daughter of Mr. and Mrs. John J. Szaton, 17710 67th ct., has accepted a Younker academic achievement scholarship at Grinnell College, Grinnell, Iowa for the coming year.

A senior, Marcia is a 1955 graduate of Bremen Community High School where she was salutatorian.

She has been working this summer at the Tinley Park State hospital as a typist and clerk.

Mr. and Mrs. Elroy Marchach and daughter Susan are vacationing in Michigan.

Mr. and Mrs. Sylvester Learned have had their son Lloyd, his wife and four children visiting them from North Hollywood, Calif. Sixty three members of the family gathered last Sunday for a reunion at the Learned home.

The Burley Anfields have had as their house guests for the past several weeks, her sisters, Miss Tina Sparks and Mrs. Jane Wells of Miami, Fla.

Roy H. Gilbert, son of Mr. and Mrs. John J. Walsh a student at Purdue university, is on a summer training cruise aboard the destroyer USS Gurke.

Mr. and Mrs. Warren Ecklund and children Donald, Donna and Diane recently attended a shower given for her niece Charlene Johnson at the home of Mr. and Mrs. R. Bauer Forest Lake, near McHenry.

Dr. Earl Swisher and family of Patitei Taiwan, were house guests at the John Swisher home during the past week. Dr. Swisher is head of The Asia Foundation. Another brother, William Swisher and family of Chicago and Dick Swisher and family enjoyed dinner at Valley View Farm in honor of the occasion.

Paul Roth, long time resident of Tinley Park just finished 35 years with American Brake Shoe Co. For 29 years he traveled to his work in Chicago from Tinley Park.

Julie Lynn, 3 months old daughter of Mr. and Mrs. R. Benesma, 17220 Oconto ave., and her cousin, Catherine Ann daughter of Mr. and Mrs. Charles Revor, of Chicago were christened Sunday, August 24 at Our Redeemer Lutheran church, Chicago. Thirty guests from Indiana, Chicago and Tinley Park were entertained in the Benesma home, where a buffet dinner was served on the lawn. Paternal grandparents of Julie Lynn, Mr. and Mrs. John Benesma, of Chicago and her maternal grandparents, Mr. and Mrs. Hugh Rankin, of Tinley Park were special guests.

Mr. and Mrs. Alvin Miller and her mother Mrs. John Bollinger of Maquoketa, Iowa have returned from a visit with Captain William Bollinger of Myrtle Beach, South Carolina and Airman 2d class Dale Rowe of North Charleston South Carolina.

Mr. and Mrs. John Munz and daughter Margerite of Crete were guests of Mr. and Mrs. Ed Sierachi on Saturday.

Mr. and Mrs. Joe Chaldrone were house guests of Mr. and Mrs. Clarence Gaulke in Milwaukee, Wis., recently.

The Moochers club celebrated their 9th birthday at the home of Greta Bingham on Aug. 25.

Mr. and Mrs. Henry Nolte and family were guests of Mrs. Ina Hardwick at Cedar Lake, Ind.

Mr. and Mrs. Hugh Rankin and grandsons, Joe and Kelly Howell have returned from visiting their daughter and family, the Roy Brumleve's who are now living in Ogden, Utah. The Brumleve family are former Tinley residents.

Mrs. Ed. Farrell was guest of honor at a baby shower given by Mrs. Robert Bennett, 16900 Willow Lane dr. She received many lovely gifts from the 20 guests present.

John C. Janulis, son of Mr. and Mrs. John Janulis of 171st st. and 104th ave., is attending the Radioman school at the Naval station, Norfolk, Va.

Mr. and Mrs. Reinhold Schultz held an open house Aug. 24 honoring their daughter Betty Lou who recently graduated from Silver Cross hospital. She will be employed at Hedges clinic, Frankfort.

Mrs. Cecilia Wesselius, mother of Mrs. Paul Eldridge, passed away Aug. 25 following a long illness. Born in the Netherlands, she was 49 years old and a resident of Roseland. She is survived by her mother, Mrs. Henry Faber, 73, of Roseland, daughter Virginia Eldridge and a son John. Funeral services are being held today at the Milton Bos funeral home, 10834 Michigan ave., Chicago.

The Al Rodger family of Riverside drive spent last week vacationing in Indiana and Pennsylvania. They visited the Pokagon State park in Indiana and the remainder of the time in Altoona, Pa., where they attended a national baseball tournament. A stop was also made in Decatur, Ind., to visit Mr. Rodger's mother who was recently released from a hospital there.

Also visiting in Altoona were the Voris Miller family, whose son Jerry plays on the same baseball team as the Rodger's oldest son, Bob. The team was entered in the national tournament.

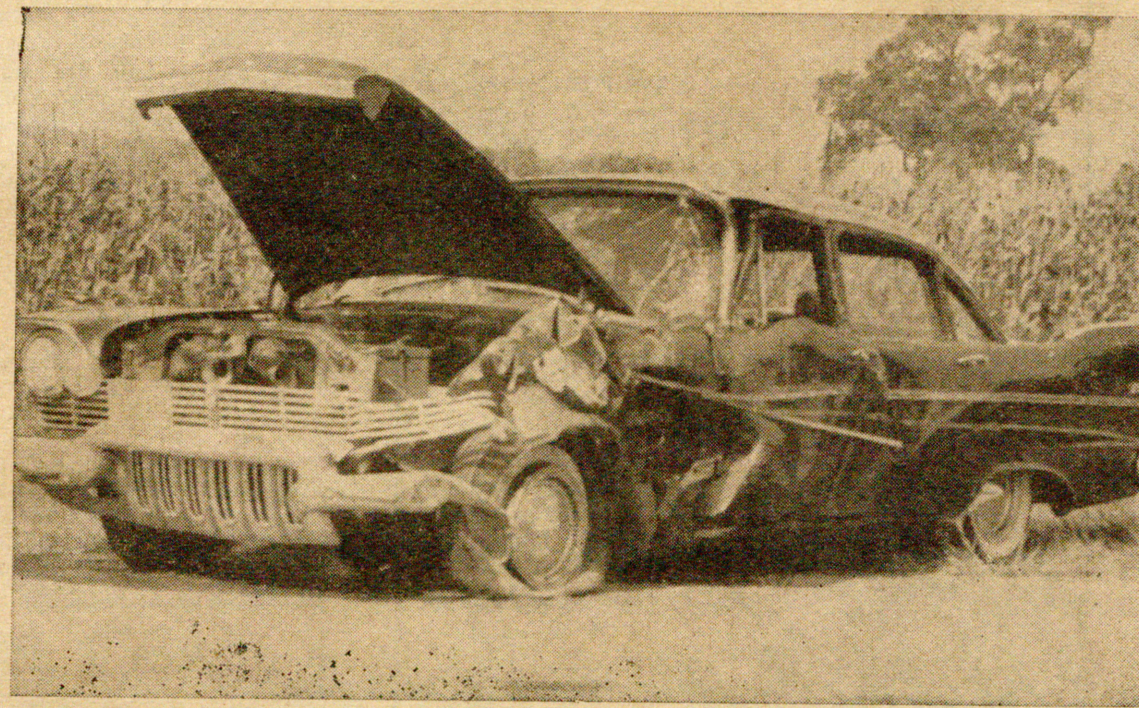

Mr. and Mrs. Elmer Johnson entertained the Young Peoples society of the Nazarene church at a beach party Friday evening to celebrate daughter Audrey's 15th birthday. The group enjoyed a wienner roast, birthday cake and games. The evening ended with a vesper service, conducted by the Rev. Dallas Mucci.

Patients in Hazel Crest hospital include Michael Brosius, 6836 W. 171st st., a medical patient. Also 1 year old Cathy Ryan, daughter of Mr. and Mrs. Thomas Ryan and Mrs. Harold Carston, 175th st., both surgical patients.

Augustine Macastro was released Monday from the hospital, where he received treatment for an injury to his heel. Jerry Brown, 19, of 171st st. and LeClaire ave., underwent an emergency appendectomy. He was on leave from the army when the attack occurred and has been transferred to Hines hospital, Chicago.

"First-Footing," a Scottish custom, means that the first person to visit you on New Year's day must bring a bottle and give you a drink for good luck.

Buenos Aires is the largest Spanish speaking city in the world.

FOUR WERE INJURED when this car was struck by a vehicle making a left turn onto LaPorte road off U. S. 45 last Friday morning, according to state police. The car here is owned by James O. Saylor, Villa Park. Saylor, a daughter, his wife and his wife's aunt were

injured. Mrs. Saylor and her aunt are confined to Silver Cross hospital, Joliet, with multiple fractures. Driver of the other car was Robert Rainford, Rt. 1, Mokena. (Marvin Smith photo)

Assessor Takes to the Air in Tracking Down Tax Dodgers

(CNS)—Cook county's aerial map research program to detect tax dodging real estate in Chicago and suburbs has added nearly 17 million dollars worth of property to the tax rolls, according to County Assessor P. J. Cullerton.

The aerial tax spying system, started in 1956, has uncovered between 1,500 and 2,000 buildings, mostly residences and garages, that hadn't been reported by builders or owners for listing on the assessment rolls.

Cullerton's progress report disclosed that \$16,983,796 worth of previously unreported and unassessed property has been discovered thru aerial photographs. Back taxes owed on the property, based at current rates, totals \$1,019,339 Cullerton said.

Unreported improvements were uncovered by comparing the aerial photographs with official tax records. Taxes were found to be due for two or more years on some parcels. On this basis, the aerial survey has detected 4,552 back tax items. An item represents one year's unpaid tax on a building or property improvement.

\$890,912 in unpaid taxes. Assessed valuation of this property totals \$14,730,697. Schaumburg township, in northwest Cook county, has been mostly farmland until only recently and aerial photographs taken there haven't been compared yet with official tax records, said Theodore Heintz, program director.

In Bremen township, 46 items with an assessed valuation of \$129,525 were up and at current rates

turned up and at current rates the taxes amount to \$7,833.

In Orland township 240 pieces were brought to light with an assessed value of \$496,403 and a tax value, at current rates, of \$30,022.

Height of the Rock of Gibraltar is almost 1,500 feet.

Township of Frankfort Assessment Roll for Year 1957

IMPORTANT INFORMATION FOR TAXPAYERS

The assessed valuations of property shown in the following list are based on 55% of actual value. This is the first time that this method has been employed and therefore valuations will appear to be higher than heretofore. However, in prior years valuations were placed at approximately 16% and then multiplied by a multiplier assigned to the county by the State Department of Revenue to bring the valuations up to 55%. The assessors have co-operated in the plan to assess property at 55% of fair cash value and in doing this it is anticipated that Will County will ultimately be assigned a multiplier of one. The valuation here published would then be multiplied directly by the tax rate to determine the amount of your tax bill.

Please carefully analyze the assessed valuation placed on your property and compare it with what would be a fair appraisal (market value) of your property before making any complaint regarding your assessment.

We sincerely believe that the uniform and equalized assessed values this year will give taxpayers a better understanding of their tax bills and eliminate the confusion created by the use of multipliers.

FLOYD H. KRAPP
County Treasurer
ex-officio Supervisor of Assessments

The following is a list of Personal Property Assessments for the year 1958, and a list of Real Estate Assessments for the Quadrennial year of 1958, as made by the Township Assessor of Frankfort Township and as returned to and completed by Floyd H. Krapp, County Treasurer, ex-officio Supervisor of Assessments.

The assessed values herein shown are subject to revision by the Board of Review and to equalization by the Department of Revenue, Section 146 of the Revenue Act, 1939, provides that the Department shall lower or raise the total assessed value of property in any county so that such property will be assessed at its full, fair cash value.

Harry C. Murawska Observes 35th Year With Commonwealth Edison

Harry C. Murawske, of 179th st., Mokena, marked the completion of 35 consecutive years of service with the Commonwealth Edison Co. overhead department Thursday, Aug. 21. He started in 1923 as a

Harry Murawska

groundman, later became a lineman and is now a crew leader at the department's Chicago Central headquarters 5059 W. Polk st.

Hunting and fishing are Mr. Murawske's favorite hobbies and he is a member of the Loyal Order of Moose. He and Mrs. Murawska have been married 28 years and moved to their present home a year ago.

Mr. and Mrs. Sam Madonia Jr., and children of Chicago Ridge have moved in with their parents, Mr. and Mrs. Raymond Morris, 11310 W. 194th st. Their children, Helenann, 12 and Antoinette, 11, will enter the 6th grade at the public school.

Miss Sandra Bureman and Kathy Lain of Bellville, Kan., spent the past week with the former's aunt, Mrs. William Blaha.

Mr. and Mrs. William Cady of Sheridan have bought the home of Mr. and Mrs. John Chisholm on Marley road. The Chisholms are moving into their newly built home. Mr. Cady is an instructor in industrial arts at Lincoln-Way high school and Mrs. Cady teaches in the home economics department at the Carl Sandburg high school.

Mr. and Mrs. Albert Cappel returned Sunday evening from a week's motor trip to Truman, Minn. where they visited with relatives. Enroute home they stopped at the Fred Whitlark home in Amery, Wis. for a short visit.

Mr. and Mrs. Stewart Shoop and daughter are nicely settled in their new home on First st.

John C. Levezzi, son of Mr. and Mrs. Douglas Levezzi, 11405 W. 193rd st., is serving as an airman apprentice at the navy's aviation machinists mate school at the training center at Memphis, Tenn.

At the Mokena Community Park picnic Sunday Wesley Schultz and Sharon Wesley were the good guessers as to

Green Garden

Honor Charter 4-H Member at Bridal Shower

Marlene Schwiesow Huckins, a charter member, was honored by the Snip 'N Snack 4-H club at a bridal shower Aug. 15 in the town hall.

Many members and charter members attended. Games were played and a mock wedding skit was given.

The Women's Guild of St. John's North Peotone church will meet in the church parlors Thursday afternoon, Sept. 4.

Mrs. Milton Werner will present the topic, "We Believe in the Sacraments". Mrs. Werner will lead the worship service.

The annual chicken supper of St. John's church will be held Thursday, Oct. 2. More details will be given at a later date.

Only Fine Line Between Good and Bad Jelly

Sometimes only a fine line separates making jams and jellies too stiff or too runny.

But there are some tests, and University of Illinois foods specialist Geraldine Acker recommends these three:

You can take the temperature of the boiling water. Cook the jelly until it's 80 degree F., higher than the boiling point of water. (Thermometers can vary. So check yours to see at what temperature water boils; it may be above or below 212 degree F.)

To make the spoon or sheet test, begin with a cool metal spoon. Dip it into the mixture and raise it one foot from the kettle. Turn the spoon so jelly runs off the side. The mixture should run off the spoon as a sheet.

Or you can make the refrigerator test. Put a small amount of jelly on a cold plate and put it into the refrigerator. The mixture should jell in a few minutes. Remove jelly pan from heat while making this test. If you don't do this you may overcook the jelly.

the weight of the metal at the registration booth. They each received a \$5 gift certificate for merchandise or service at any store in Mokena which is a member of the Chamber of Commerce.

New Lenox

Positions Open for Substitute Clerk, Carrier at Post Office

By DELORES ANDERSON
Phone New Lenox 3651

Joseph A. Connor, Director of the Seventh U. S. Civil Service Region, announced today that his office is accepting applications for the positions of Substitute Clerk and Carrier for duty in the New Lenox Post Office.

Applicants must reside within the delivery area of the New Lenox post office or be bona fide patrons of that office.

Starting salary is \$2 an hour, with opportunity for advancement. Applicants must have reached their 18th birthday on or before date of filing application. There is no maximum age limit.

A written test is required to determine eligibility.

Applications must be filed with the Director, Seventh U. S. Civil Service Region, Main Post Office Bldg., Chicago 7, Ill., and will be accepted if received or postmarked not later than Oct. 16, 1958.

Further information and application forms may be obtained at the New Lenox Post Office.

Marine Pfc. Ronald M. Hughes, son of Mr. and Mrs. Byron R. Hughes of 106 Hawthorne st., is a member of the 11th Marine Regiment's baseball team at Camp Pendleton, Calif.

The regiment is an artillery organization of the 1st Marine Division.

Mr. and Mrs. Merrill Crouse entertained Sunday in their home, for their daughter Carol, who left Tuesday to enter nurses training at Silver Cross hospital in Joliet, and also to honor Mrs. Crouse's mother, Mrs. Rose Peckardt, who was celebrating her birthday. A buffet luncheon was served at one o'clock, and supper was served after an informal afternoon.

Guests were, Mrs. Robert Jensen and daughter, Mrs. Betty Jensen and children, all of Meadowdale; Mr. and Mrs. Leonard Ligenzia of Skokie; Mr. and Mrs. William Malloy and children of Lincolnwood; Mr. and Mrs. Everett Fritchley and children of Thawville, Ill.; and Mr. and Mrs. Earl Schroeder and children.

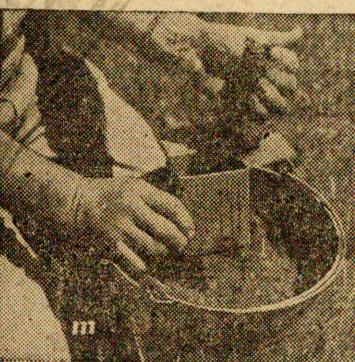

Dale Anderson underwent surgery on his foot Tuesday morning, at Silver Cross hospital.

The Women's Missionary group of the Bible church will meet Thursday, Sept. 4 at the church. They will study books of the Old Testament.

The misses Carol Crouse, Linda Ruhle, and Raedene Cook are all entering nurses training soon. Carol entered at Silver Cross hospital in

Accurate Soil Tests Mean More Profit from Plant Food

ACCURATE soil tests that mean better use of fertilizer and more profit per acre depend on taking "composite" soil samples. Such samples represent all sections of the field.

Higher profits from fertilizer use come from accurate soil tests.

That was the report of two University of Minnesota soils scientists — John Grava and Charles Simkins — in a statement summarized here by the Midwest division of the National Plant Food Institute.

Corn grown on soils with high fertility levels has been better able to withstand grain borer attacks in storage than corn grown on lower fertility soils, reports Dr. William A. Albrecht, chairman of the University of Missouri's soils department, in a statement cited by the Midwest division of the National Plant Food Institute.

During a three year observation of corn ears grown

Marley

Missionary Society Makes Plans for Turkey Supper and Bazaar

By VIRGINIA SASS
New Lenox 3133
